Mobile . . . Where History Is an

Nearly five-hundred years ago a Spanish expedition sailed into Mobile Bay and two centuries later Jean Baptiste Le Moyne, Sieur de Bienville, built Fort Louis de La Mobile on Twenty-Seven Mile Bluff. In 1711, the fort was moved to the present site of Mobile.

Trouble in Europe and Indian wars in America resulted in a succession of French and Spanish rules with different flags being flown over the city.

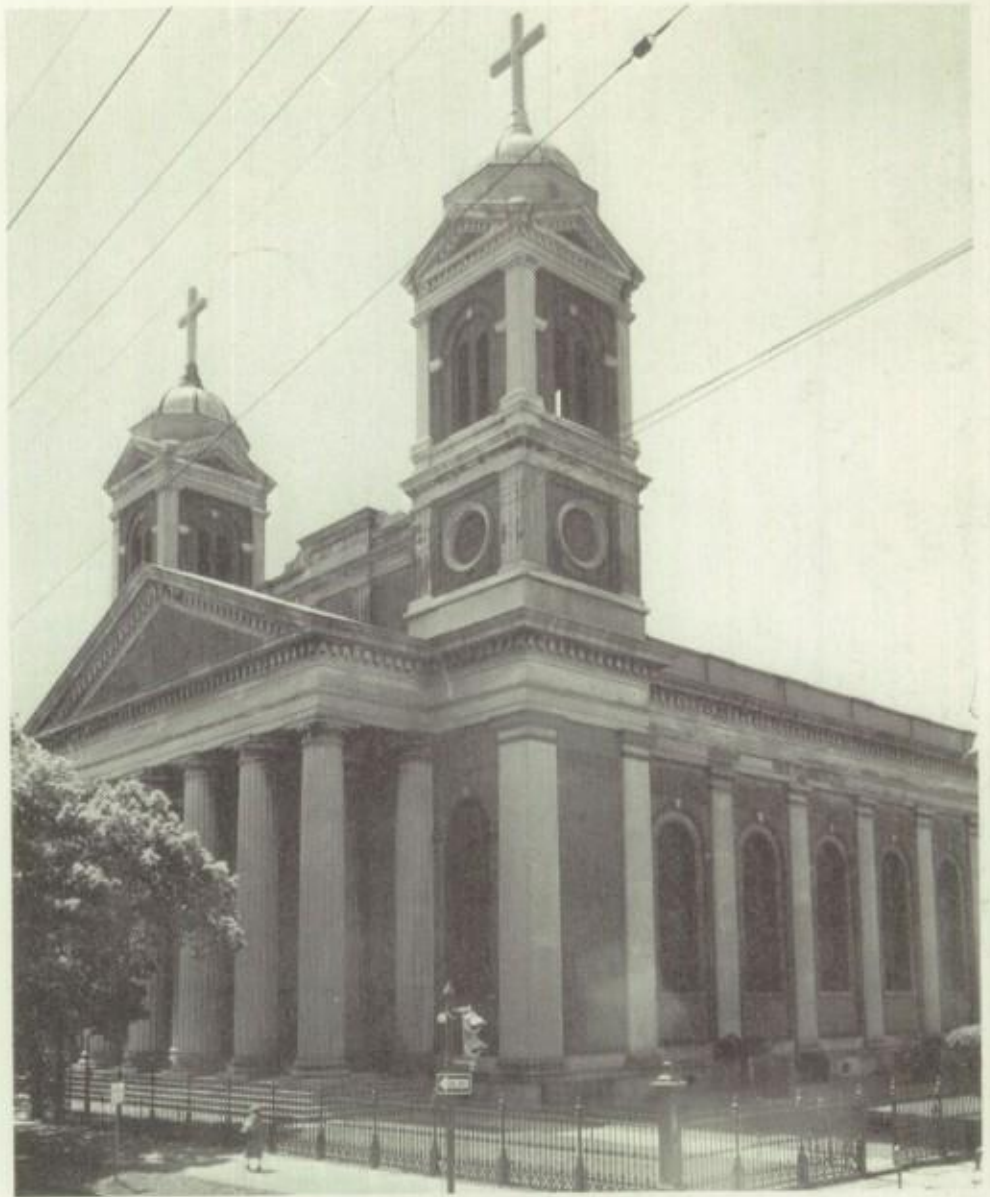

After the signing of the Louisiana Purchase Treaties, although the government was Spanish, the Americans began to move into Mobile territory.

In 1819, Alabama became a state, but she seceded from the Union in 1861 to become a part of the Confederacy. During this time, Mobile was an important Confederate port, and the Battle of Mobile Bay was one of the last meaningful battles of the Civil War.

The spell and pageantry of the past lends charm to the special celebrations, sports events, historic homes, and floral gardens of Mobile—where pleasure knows no season.

Our city is a progressive business, as well as an industrial site, and one of the top ten seaports in the nation.

Historical homes, such as the Kirkbride Home, reflect the culture of reigning governments of the past.

The Roman Catholic Basilica displays the influence of the Spanish on the architecture of old Mobile.

Progress and Enriching Culture

Some of the biggest industries in the United States are attracted to Mobile.

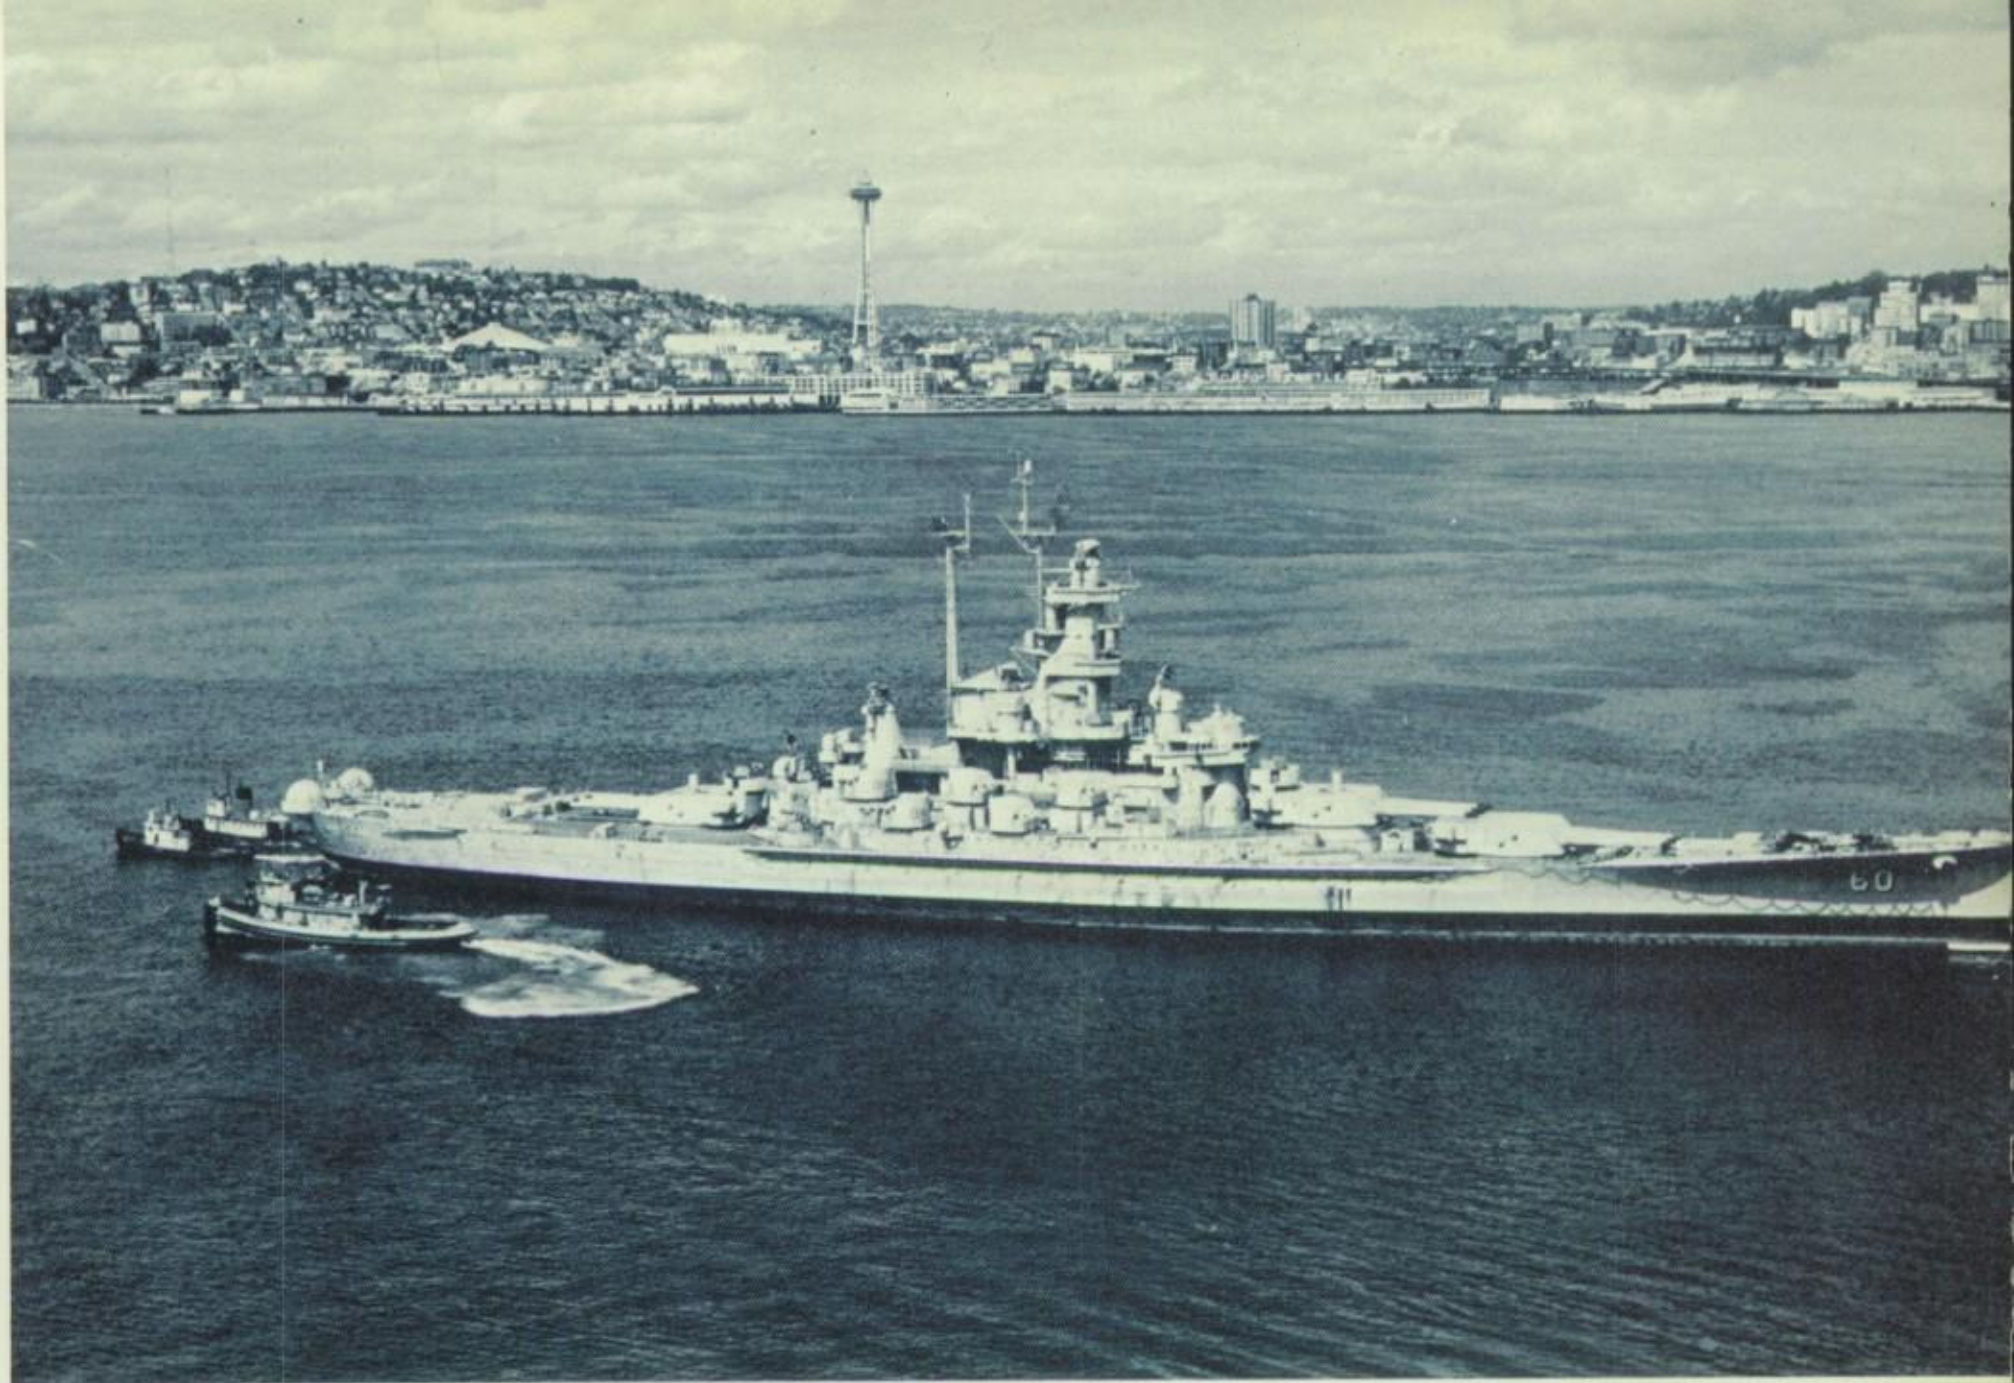

The state of Alabama owns and operates at Mobile one of the top seaports of the nation accommodating important industrial and municipal activities.

Mobile is an important industrial city as well as an exchange market for commerce from all over the world. Large manufacturing concerns as International Paper Company, Scott Paper Company and Courtaulds find Mobile the place with the people the raw materials the markets, the highways and railroads necessary for growth and expansion of their plants.

Affiliated with the Port of Mobile is the ship building and repair industries. Oil refining, iron and steel foundries, manufacturing of chemicals, alumina, and cement are also to be found in Mobile. The United States Air Force operates one of its largest supply depots and repair bases at Brookley Air Force Base on Mobile Bay. The shrimp, fish and oyster catch in the Bay also is an important industry. Mobile boasts a brand new Civic Auditorium which brings famous personalities from all over the globe to this beautiful city full of the charm of the past and the prosperity of the future.

The Municipal Auditorium is the most recent addition to Mobile's culture.

The U.S.S. Alabama

Since 1819 when Alabama began its statehood, it has established an unbroken tradition of pride and accomplishment. To honor and to memorialize the thousands of men and women who served in World War II and Korea, our State is now stepping to the forefront in this patriotic duty.

Beginning in 1861, named for one of the most important States of the Confederacy, the C.S.S. Alabama, armed sloop of war, carried the name of our State to lasting fame. The U.S.S. Alabama is the fourth ship to be commissioned with this fighting name to live up to, and its war record is equal to its famous predecessors.

"The South's Boldest Sailor" was the name given to Raphael Semmes. As commander of the C.S.S. Alabama and her heroic crew he was the most spectacular and effective master of commerce raiding in all history. Admiral Semmes and his men are credited with driving the merchants' fleet of the U.S. from the seven seas. As a result of the brilliant direction of the activities of the C.S.S. Alabama he provoked various political repercussions in the management of the Civil war within the administration of the Federal Government.

In 1962, the Battleship U.S.S. Alabama Battleship Commission to acquire and exhibit this ship in a Memorial Park. Mr. Frank P. Samford of Birmingham chosen as the General Chairman of the drive to raise one million dollars to bring the Alabama home as a state shrine. A 100 acre site has been created on the South side of the Causeway by dredging and filling an area just West of the Tensaw Bridge.

The entire State of Alabama of some three million persons was divided into four districts . . . North, North Central, South, and South Central. Under the leadership of the State

Chairman and the Chairmen of the four districts many thousands of volunteers were enlisted in the campaign plan of action to bring the Alabama home.

As a result of this all-out effort between \$1,000,000 and \$1,200,000 was obtained in the earliest part of the campaign action.

Everyone who participates from the Governor of the State to the Alabama Battleship Commission and the literally thousands of volunteer workers will have a strong feeling of pride and satisfaction in knowing that they have been a part of a lasting tribute to our sons and daughters who have served.

It is unthinkable that the citizens of our fair State would allow this symbol of its history to fade into oblivion by being cut up by a torch. We could not nor would we allow this opportunity to pass to bring "The Alabama Home" to be enshrined forever in the Camellia State.

The Governor and the U.S.S. Alabama Battleship Commission awarded an Admiral's Commission to individual contributors of \$100 or more to the fund designated to bring the Alabama home. The following commissions were awarded:

\$100 Rear Admiral
\$500 Vice Admiral
\$1,000 Admiral

In addition, all such Admirals will be entitled to a Life-Time Pass to visit the Battleship, an I.D. Card, his or her name engrossed on a permanent Roll of Honor on board, a Handsome Commission, a Beautiful Flag and finally the warm satisfaction of knowledge that a material contribution has been made.

MOBILE AZALEA TRAIL

Beautiful all year, Mobile becomes a floral spectacular in early spring when brilliant pink, red, white, and lavender azaleas burst into full bloom. The entire city, blanketed with millions of flower blossoms, takes on a festive spirit as it pays a spring-long tribute to the flower which has brought it world fame.

It is this floral beauty which annually brings several hundred thousand visitors to Mobile. To enable these visitors to see the most beautiful flowers in the city, the Azalea Trail was originated more than thirty years ago by the Mobile Junior Chamber of Commerce, its present sponsors. The thirty-five mile long trail leads past historic homes of French, Spanish, and Southern Colonial architecture, beautifully landscaped lawns and parks. Included on the trail are Bellingrath Gardens, Clarke's Gardens and Long Gardens.

The many festivities connected with the Azalea Trail begin in the fall, when a thirty-four member Azalea Trail Court is selected from nominees submitted by Mobile County's fifteen public, private, and parochial high schools. A queen and four ladies-in-waiting are selected from the group by a distinguished panel of judges in early December. During the two month celebration, starting the first of February and continuing until the end of March, the queen, along with the entire Azalea Trail Court, makes special appearances in Mobile and around the state, promoting this famed floral trail.

Capable Directors Insure Educational

Dr. Cranford Burns is the able Superintendent of Schools in Mobile County.

Alexander the Great once sat down and wept because there were no more worlds to conquer. This is not the problem of your generation. Looming on the horizon of your uncertain tomorrows are all kinds of new worlds to be conquered. A few of these include: world peace with honor, demonstrating the effectiveness of freedom to the rest of the world, exploration of space and the oceans depths, furthering the explosion of knowledge and its application to the improvement of life, preservation of constitutional government and our tested ways of living, new concept of ethics geared to the needs of modern life, productive learning opportunities for all age groups, faith, courage and security in a world characterized by complexity and growing interdependence.

Today you flex your intellectual muscles to the challenge of laying solid foundations for the future. Your personal success and the future of America depend upon your doing this job well. Culture cannot be transmitted through the blood stream. It must be built into the woof and fiber of each new generation. The way you respond to your educational opportunities is the best prophecy of the future I know. Those of us who teach believe in the improvability of man through adventurous learning. Therefore, you are our investment in the future. Our abiding satisfactions come from the realization that we can have a sacred part in preparing you for the conquering of the new worlds of tomorrow.

... Dr. Cranford Burns.

The Mobile County Board of Education is always ready and willing to help and to serve the students of all Mobile County schools. We, at Davidson, feel fortunate to have many friends

on the Board. They listen to our recommendations, help us with our problems, and open many doors of the future to us.

Progress

The future beckons, and education ponders the problems and issues of our times. These ideas challenge youth and adults alike.

The future belongs to everyone—to adults whose influence lives on; to this generation of youth engaged in laying foundations; and to unborn generations whose successes and failures will be determined by our own cultural heritage.

Those of us who have been privileged to mingle our destinies with yours in an endless list of activities called formal education look toward the future with optimism. This can be said despite our disappointments and our moments of doubting. Perhaps the greatest of all satisfaction which can come to your teachers and administration is knowing that those whom we have been privileged to teach are acquiring the values, knowledges, understandings and skills which will give reasonable assurance of success ahead, including the preservation and improvement of the American way of life.

Your cooperation and help in making this school year a success has not gone without notice. Students who come after you will be inspired by your record of achievements.

The responsibilities and obligations of our school fall on the shoulders of our Principal, Mr. Sam Shout.

Mr. Shout pauses in the middle of the task of scheduling students.

Mr. Edward White, Assistant Principal, works diligently day by day handling all of the necessary announcements, attendance reports, student discipline, and registration of new pupils. His display of interest in the students and faculty lends in efficient and friendly relationships.

Mr. White is endowed with the qualifications that prove him an able and responsible administrator.

The mainstring of Davidson lies in its records ably kept by Mrs. Gloria Eden, Bookkeeper and Mrs. Lucille Stowe, Registrar.

Our secretaries, Mrs. Clara H. Hall and Mrs. Mary Gayle Boan, are familiar to all students who have had any problems to carry to the office.

Efficient Staff Backs Administration

Mrs. Emily M. Hammac, Cafeteria Manager, provides for the proper care of the foods prepared each day.

Miss Marie Kastner and Mr. Douglas Tanner give needed advice and guidance to the students of Davidson High.

The Building Engineer, Calvin Dunham insures a safe school-day for students.

Grammatical Usage: Prerequisite for Success

A knowledge of the fundamentals of English is essential for whatever future a student chooses. Good grammar is necessary for effective communication—both speaking and writing. Students also learn to understand and appreciate great literary works—prose, poetry, and drama.

Our English Department consist of three levels of English as well as a Journalism, Dramatics, and Speech curriculum. The levels of English include Advanced, Regular, and Basic English. Seniors are offered an advanced course which is important in their preparatory work for college. Regular English is offered to meet the needs of the average student. The Basic English curriculum is designed to meet the needs

of those students who are not proficient in grammar and would have problems with the faster pace that a regular class must keep.

The department meets at regularly planned intervals to dispense with the business of recommending orders for materials, viewing methods films in this field, and composing the requirements of the different grade levels.

The Chairman of the English Department, Mrs. Jane Pinnell, must correlate the differences and provide a budget, with the appropriated money, which will meet the needs of the department's expenses.

Prospective Secretaries Learn Skills

Students become efficient and competent office workers through the courses taught in our Commercial Department. To prepare students for administrative positions, clerical and secretarial jobs, and enable them to fill responsible vacancies, students are offered typing, shorthand, bookkeeping, accounting, Business English, and Business Law. Accomplishment of these skills and the knowledge of the manner in which to secure these positions prepare our students to be among the more successful applicants.

William Carey, B.S.

In our everyday life mathematics proves to be a most important factor. It is the basis of today's modern technology and without a thorough knowledge of mathematics one cannot survive in the world. Davidson stresses the importance of math by offering the following courses: three years of algebra, plane and solid geometry, trigonometry, and general math.

Mr. West teaches the finer points of Algebra to his students.

Today's space world requires a thorough knowledge of the basic fundamentals of science. In order to acquire an adequate understanding our school offers courses in general science, modern and advanced biology, chemistry and physics.

Students gain experience by participating in the annual science fair. Aided by our instructors, students are able to produce many outstanding projects.

The Davidson library is an asset to students and is their most vital source of research and recreational reading. The library, headed by Mrs. Rosalyn Perdue, avails to any student seeking information good literature on a variety of subjects covered by the library's sources.

Physical Fitness Enhances Student Body

Physical Education is an essential part of our schools activities. With our beautiful new gym and expert Physical Education teachers, Davidson High School is extending far ahead the other schools in competition. Each student is instructed fully in basketball, volleyball, baseball, track and football which enhances the physical fitness of all students.

The girls' Physical Education teachers not only teach good sportsmanship, but practice it.

Basic Vocational Training Determines Future Opportunities

Subjects such as mechanical drawing and machine shop develop the importance of creative thinking, initiative and manual skill in the vocational arts department. A deep sense of art appreciation is developed through the successes and failures experienced by the students.

Coach Little helps shop students tune up their cars.

Careful instructions in use of welding supplies can save accidents.

DAUPHIN ISLAND

Fabulous Dauphin Island, located thirty miles south of Mobile in the Gulf of Mexico, is a semi-tropical, leisurely paradise, primitive enough to stir the urge for adventure, yet with all modern conveniences.

A romantic and colorful history dates back to the early days of Colonial America. The French were the first to settle Dauphin Island but not the first to discover it. When they landed they found great mounds which proved that Indian tribes had previously inhabited the island. Today giant oaks grow from these mounds. In addition, Fort Gaines, a Civil War stronghold that was prominent in the Battle of Mobile Bay, is located on the island and is a major attraction for visitors.

The main event occurring during the summer months is the Alabama Deep Sea Fishing Rodeo. The waters of the Gulf of Mexico provide excellent opportunities for the fishermen who come from all over the country to participate. Many age-old records have been broken as the final hours of the annual three-day event approach. The Rodeo Queen ends the festivities by firing the cannon, but the Rodeo is not over until the deserving fishermen are awarded their prizes.

Dauphin Island has every facility for a delightful vacation—the finest surf bathing available, deep sea fishing, and pleasurable living for all.

Decisions, Discussions, Confusion Result

Steve Smith, Senior Class President, calls for more discussion on the class flower.

Each class at Davidson is given the privilege to meet once a month. The Senior class is the main class that takes this privilege. At Freshman class meetings, the freshman are inaugurated to the fact that they are high school students and that they are responsible for acting accordingly. Sophomore meetings generally consist of discussions as to the future plans of the class as a whole, such as what they wish to do for the school and how they are going to proceed to do it. All Junior Class meetings are concerned with all the plans of the Junior-Senior Prom and how to raise the money to sponsor it. The Seniors really do enjoy their meetings, as they choose the class flower, color, motto, and plan the details of graduation. During the Senior class meetings the students are often given advice about their future and their plans. Class meetings are certainly an integral part of Davidson High School.

Senior Barbara Heath, Features Editor of the TOSHOA, gives instructions on the procedure to follow while voting for favorites and Mr. and Miss DHS.

Miss Joann Sample, the new counselor, talks to Seniors about post-graduation plans.

Seniors decide that they want green and gold as their class colors and the chrysanthemum as their flower.

Senior Class Sponsor, Miss Cox, grins as she thinks about all the work involved in preparation for graduation.

from Class Meetings . . .

Junior Class President Larry Cottle, presents the plans for the Junior-Senior Prom.

Gene Tomlin, presents plans for projects for the purpose of raising money for the Junior-Senior Prom.

Junior Class sponsor, Mr. Jenkins, stresses good discipline is needed before anything can be accomplished.

Junior Class Treasurer, Carol Hollingsworth, gives the treasurer's report to the class of '65-'66.

Sophomore Class President David Laxton, talks to the class while officers look on.

Features

The purpose of the America's Junior Miss Pageant is to honor each year the nation's ideal high school senior girl. A select group of fifty outstanding young ladies, one from each state, arrive in Mobile each spring for the Pageant.

The educational goals of the Pageant are emphasized through the generous scholarships to the winner and four runners-up. The non-profit Scholarship Foundation in Mobile administers funds to provide the educational grants, which may be used at any approved educational institution.

The America's Junior Miss Pageant presented by the Mobile Junior Chamber of Commerce and prominent Mobilians, has set high standards for contestants. Special emphasis is placed on character, citizenship, leadership, ambition, and lady-like poise and demeanor.

The judges are outstanding men and women, selected to obtain the widest possible variety. They spend hours with the contestants in formal and informal interviews as well as judging on-stage competition. As a result, judging goes deeper than the outward appearance.

The crowning of the winner thus becomes a distinct tribute to all American womanhood as each new American's Junior Miss steps forward as a symbol of the nation's best.

Homecoming

Queen

1965

Miss

Carol Eisenbrey

Davidson's 1965 Homecoming started off with a giant bonfire at the school, before the game. The bonfire was great fun and the enthusiasm and spirit of the students added to make our pre game rally an exhilarating experience. After the bonfire everyone went to Ladd Stadium where the Warriors were to play the Rain Raiders.

At half time Carol Eisenbrey was crowned Queen by the 1964 Queen, Ann Smith, and the Court was introduced.

The following night our Homecoming Dance was held in the Cafeteria, with the Playboys providing the music.

The dance was a perfect ending for a marvelous weekend.

The reigning Queen takes a whirl around the floor with her escort at the Homecoming Dance.

Clubs and Organizations

One of the most joyous and carefree times of the year in Mobile is the period in February or March when the city casts off its worries and seriousness and participates in Mardi Gras.

Literally thousands of visitors stream into Mobile from all over the nation to help Mobilians celebrate Mardi Gras. Fun is the motto and frolicking the theme for the festive days of Mardi Gras.

The first Mardi Gras held in the New World was held in Mobile in the early 1700's. Because of Mardi Gras' early beginning here, Mobile has been called "The Mother of Mystics".

Each year out of the age-old pageantry of Mardi Gras emerges a new King Felix, "Emperor of Joy" and his queen, who reign over the city during their revelry.

The commemoration is marked by daily parades through the downtown section of Mobile, dances in the evenings, holidays from school, and general good times by all.

Editor-in-chief Connie Parker takes a break in the midst of a busy schedule.

Club editors Donita Garrison, Mary Margaret Miller, Stephanie Weiss, and Becky Keller draw lay-outs for club pages.

Yearbooks staff members look over the division pages with Miss King.

Through cooperation, hard work, and long hours, the publication of the 1965 TOSHOA was made possible. At the close of the 1964 school year the staff's new members began learning the technical aspects involved in creating a book to be cherished by each possessor.

Many projects were necessary to furnish the additional money necessary to meet the financial requirements in supplying the special features supplemented this year. These were exemplified by the selling of ads to the merchants of Mobile, sales totaling fifteen hundred dollars.

With the invaluable assistance of the TOSHOA sponsor, Miss Pat King, the staff benefits from her keen interest and dedication.

Working Throughout Summer, Staff Strives

Staff members work hard to meet the deadline.

Staff Strives to Encourage Subscriptions from Student Body

Newspaper reporters Gary Flanagan, Stephanie Lee, and Susan Edmondson attended the Latin Club Banquet with the faculty advisor, Miss McNutt. In this manner they could gain first hand material for a feature story of the event.

I had fun this night!

Gary Flanagan, Anne Riall, Marsha Meriweather, and Nick Spring comprise the members of the newspaper's Executive Staff who work feverishly in an attempt to meet editorial deadlines and, thus, print a praiseworthy edition of the newspaper.

Nine editions of the *TOSHOA TIMES* were sold this year. These editions of the Davidson newspaper were planned, written, and edited by the efficient staff of the Toshoa Times. To be a member of the newspaper staff a student must apply for a chosen position and be approved by the sponsor, who is Mrs. McNutt. These persons are usually interested in some form of journalism or creative writing. The members of the Davidson newspaper staff not only have to prepare the newspaper for purchasing but have to sell subscriptions at the first of the year as well as advertisements for each edition. One manner in which the staff publicized their selling of subscriptions at the start of the school year was in the form of a short skit during activity period. New features and additional improvements in this years editions make this newspaper publication one that the students can be proud of.

Feature writers, Laura Carter and Carol Stanley, discuss their columns with Mrs. McNutt, the sponsor.

Art editors sketch an idea for a forthcoming issue.

Reporters and Staff members distribute copies of the newspaper to the subscribers during their lunch hour.

Assistant Editor, Marcia Meriwether; Business Manager, Gary Flanagan; and Editor-in-Chief, Ann Riall criticize the last issue of the Toshoa Times.

Council Undertakes Many Projects

The executive officers of the DHS Student Council are from left to right: Mike Bergbower, President; Connie Swift, Treasurer; Carolyn Palmer, Secretary and Bill Boyd, Vice-President.

The Davidson Student Council which is active in all phases of school life, strives to unify all student organizations under one general control. The Student Council, which sponsors many other school activities, sponsored the Homecoming Dance and the dances after the football games.

The Student Council is presently serving as President of the Mobile County Association of Student Councils. Claude Mueller was chosen by the Council members to represent DHS. The Student Council is also a member of the National Association of Student Councils.

The Student Council is composed of ten standing com-

mittees—the publicity committee, the social committee, the program committee, the projects committee, the welfare committee, the student relations committee, the faculty relations committee, the calendar committee, the handbook committee, and the elections committee—and two temporary committees—the Student Council yearbook committee and the Homecoming committee.

The main purpose of the Davidson High Student Council is to promote in all ways the best interests of the school. The sponsor is Mrs. Hazel Petersen.

BOTTOM ROW, L. to R., K. Dixon, M. Blalock, B. Mullen, G. Turner, C. Swift, P. Freeland, C. Hollingsworth, A. Austin, M. Roepke, K. Cordell, E. Hartley, M. Blount. **SECOND ROW**, J. Howell, B. Boyd, D. Greenwood, C. Palmer, C. Shannon, R.

The social committee organizes all extra curricular activities such as after game dances and hootenannies. The committee tries to get ideas from the student body on what activities they would like to have. The committee, which is headed by Linda Shelly, also decorates for the various activities.

↑ rebel rouser

The Projects committee, which is headed by Gene Tomlin, does all the necessary things that make Davidson "home." They take into consideration all suggestions made by students which will aid DHS. This year they have provided door stops and gathered the wood for the Homecoming bonfire, among other things.

The Student Relations committee, which is headed by Joe Howell, is made to help the entire student body. If there are any conflicts between students and administration, the student relations committee tries to find the basis for the problem. If there are any problems that students have concerning policies of DHS they should see a member of the Student Relations Committee.

The Handbook Committee began work this summer on the 1965 handbook, which contains all the school policies and all the rules. The Handbook is essential for the new Davidson student as well as the rest of the student body. The committee is headed by Bill Boyd.

Members of the Council Work Diligently to Improve Student Life on Campus

The Davidson High Student Council meets every Thursday during the members' activity periods to discuss student life on campus. These meetings are held in addition to their scheduled Thursday afternoon meetings. The Student Council strives to aid the student and make his life at Davidson as enjoyable as possible. Once a month county meetings are held at various schools in Mobile County. Davidson has twice played host to these affair. Davidson was elected to serve as President of the Mobile County Association of Student Councils and our members chose Claude Mueller to serve as the President.

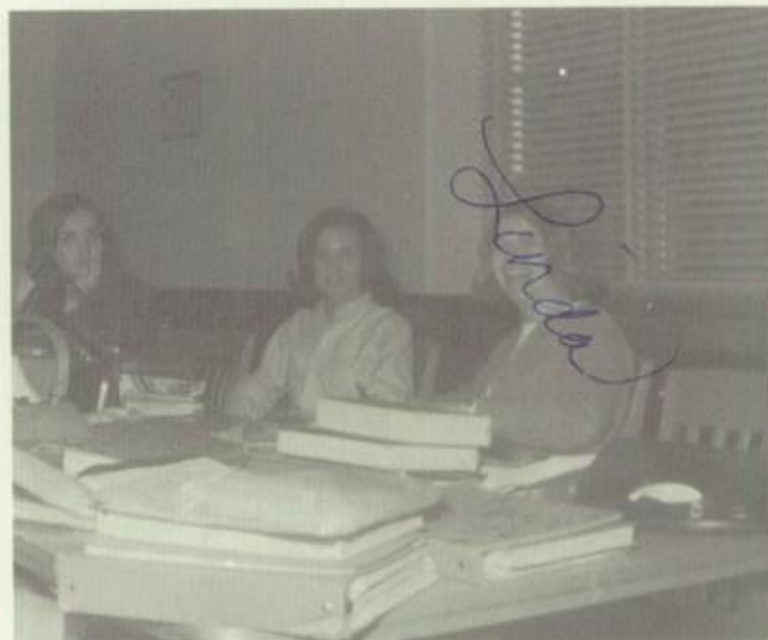

Officers test the refreshments to make sure they are good enough to serve at the County meeting.

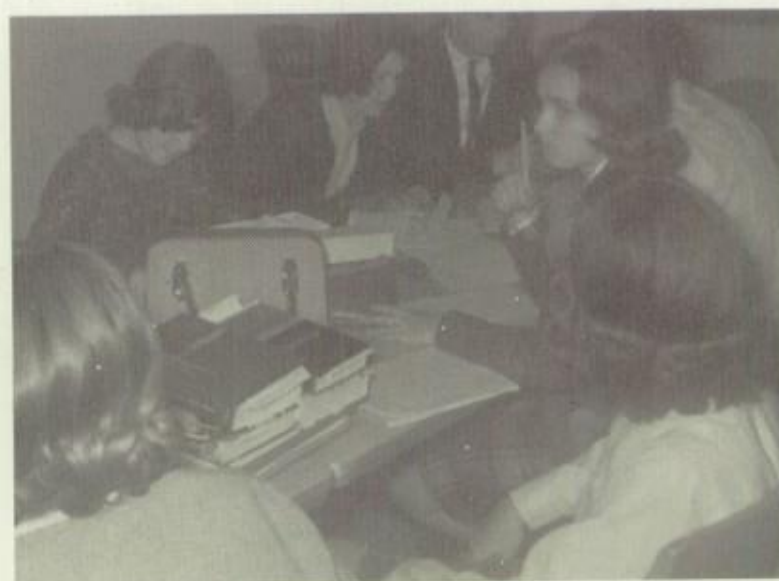

The Student Council is in charge of the flag raising ceremony each morning.

The Council provides buses for interested students who wish to attend games away from home.

Chairman, Linda Shelly, expresses delight as she finds out the social committee doesn't have to plan a dance for the next weekend.

Members develop new ideas at their Thursday meetings.

Representing the highest honor that can be conferred on an individual, the National Honor Society symbolizes the four demensions of life: Character, Scholarship, Leadership, and Service. Since the National Honor Society began, it has served as a goal which students may strive to attain. To be tapped for membership in the National Honor Society, one must have a 7.5 average, for either seven semesters as a Junior or nine semesters as a Senior, and must be in the upper ten per cent of the class with a specified amount of

service credits. Each year the present members plan and perform a meaningful induction ceremony. At this assembly which is viewed by the student body, several Senior members discuss briefly the phases of the demensions of life. Following this the names of the newly selected members are annouced, and these persons are tapped for membership in the National Honor Society. Miss Kastner is the faculty advisor for the club.

Members of the induction committee, Carol Stanley, Gary Flanagan, and Kathy Diestalkamp discuss plans for the induction of new members.

The Key Club officers work together with Mr. West, their sponsor to plan and organize their activities.

Award Winning Key Club Improves Community

President Ben Cooper presents to Mobile General Hospital representative a check for the money the Key Club members collected at Halloween.

Carol Eisenbrey, the 64-65 Key Club sweetheart, accompanies the members on their trips and activities.

The Key Club is an international service organization, sponsored by the Kiwanis Club, for boys of high school age. Its primary aim is expressed by the motto of Key Clubs—"We Build". Members are selected by the present members from the upper three grades. Qualifications include potential leadership ability as well as satisfactory grades.

Key Clubbers devote themselves to projects that would improve our environment. One year the members entertained the Children's Ward of the Mobile General Hospital with a Halloween party and collected money to help the hospital buy needed equipment. A total of \$175.00 was collected. This project won for the Davidson Key Club the first place award for the most outstanding project in the Alabama District of that year.

The 1964-65 international theme is "Inspire Individual Initiative". The Davidson Key Club has sponsored many projects in carrying out this theme. The club's faculty advisor is Mr. Joe West.

Entertainment at the Saturnalia was pre-sented by the J.C.L. members.

The Junior Classical League Sponsor, Mrs. Ingram, works together with the club officers on their activities and projects.

Davidson has an active chapter of the Junior Classical league. The members of this organization believe as acquaintance with the civilization of Greece and Rome will help them understand and appraise this modern world of today which is in-debted to this ancient nation for its gov-ernments, laws, literatures, languages, and arts.

The Latin Club participated in the Silver Key Contest and the State Con-vention this year. The members of the Junior Classical League have also planned for a Saturnalia during the month of December. Mrs. Francis In-gram actively supervises the Latin Club's activities.

Several Latin students enjoy the entertainment at the Saturnalia.

Nouveau Club Organisé Par Les Étudiants Français

Striving to deepen the interest of its members in the French way of life, the French Club made successful attempts this year in advancing toward their goal. Composed of first and second year French students, the purpose of Etutians de Francais, the society's nickname, is the more advanced study of the language and literature of the French people. Serious study is made of the culture, customs, and people of France under the leadership of Mrs. Owens.

Miss Kastner, sponsor of the German Club, livens each session by her vivid descriptions of adventures, encountered in her travels in Germany this past summer. This newly organized club was established to create an interest in the language, the customs, and the country of Germany. The club has an array of various activities planned for this calendar year. Some of these activities included a display depicting Christmas in Germany and a visit to a German Ship docked in the port of Mobile.

LOS GUERREROS—The Warriors, is the name chosen by the Spanish Club. Seeking an improved relationship with Spanish speaking countries; fluent usage of an age-old language; and a deeper understanding of customs are the basic incentives that created the Spanish Club. Various costumes, lively dancing, and interesting displays are a part of the activities on Pan-American Day. Another feature of the club's activities is the Christmas party which is impressively done in a Spanish theme. Displays of the literature, pottery, pinatas, and posters displayed in the library showcase are eye-catching when viewed at P.T.A. Meetings and by students attending classes daily. Higher Interest and Proficiency Promoted by Math Club

Among the many other functions of the Math Club, its principle function is to promote higher interest and proficiency in the use of mathematics on the high school and junior college levels. Through this major function the members of the Math Club annually participate in a contest which is sponsored by the mathematics Association of America and the National Society of Actuaries. Although certain requirements must be met in order to become a member of the club, many enjoyable and rewarding experiences are offered. The faculty sponsor of the organization is Mr. Joe West.

The drafting club has gone on several field trips to various engineering facilities and active construction sites. The club enables its members to become more familiar with architectural drawing and drafting techniques under the supervision of Mr. Crenshaw.

D. Club Promotes School Spirit on the Campus

D. Club members maintain the trophy case for the enjoyment of the student body and additional honors in the case are displayed each month.

The "D" Club is made up of boys who have lettered in any sport of Davidson High School. The sponsor, Coach Redell, aids in promoting school spirit and creating closer relationships between the sportsmen and the student body.

Each year the "D" Club collects money at Junior High football games, monitors at basketball games, and collects money by having a car wash. They are also in charge of the trophy case in the gym lobby.

G.A.A. Girls enjoy volleyball playday with Rain high school.

The Girls Athletic Association strives to create a more active interest in girls sports and stresses good sportsmanship, fairplay and school spirit.

The organization's objectives are to help students who are interested in the field of physical education and recreation to learn more about rules, techniques, history, and theories of sports and to help the American teenager develop in mind, body, and spirit.

The girls in the G.A.A. meet frequently to organize programs and activities with their sponsor Miss Cox.

Red Cross and Gray Ladies Sponsored Jointly by Miss Cox

The Gray Ladies, a Red Cross auxiliary organization, are doing an excellent job in our school by handling the sick room. All routine procedures connected with admitting and registering patients, contacting homes, checking temperatures, and making sick students comfortable, are carried out by these girls.

Benefiting through their experiences as Gray Ladies, the members become better prepared for future careers.

We would like to thank Miss Cox, our sponsor, for her active interest, willing cooperation, and all the help she has given us throughout the year—Red Cross and Gray Ladies.

in the National Forensic League

The National Forensic League and the Debate Club are two separate organizations. The Debate Club at Davidson High School is the local organization. The National Forensic League is a national honor society, of which President Johnson is an honorary member. Its purpose is to promote the interests of interscholastic debate, oratory, and public speaking. Members of the local debating club strive to gain acceptance into the national society by acquiring points, or credits, through successful accomplishments in public speaking engagements. The first "level of degree," or step, in the national society requires the debater to have earned twenty-five points in successful speaking. At this point the debater is awarded a silver pin from the national society and upon reaching other "levels of degree" he receives certain semi-precious stones to attach to the pin that he received.

The Davidson team was invited to attend the Southeastern Debate Tournament sponsored by the Barkley Forum at Emory University. Entry into this tournament is only by an invitation from the members of the Barkley Forum. This is Davidson's second year to receive an invitation to attend this conference, and Davidson will be the only public school from the City of Mobile at this conference. Davidson debaters have won honors at Tulane University, New Orleans; Marble City Tournament, Sylacauga; Ensley Tournament, Birmingham; Mobile County Forensic Tournament, Springhill; and the Center Tournament, University of Alabama. In 1962 and 1963 the team won the state Championship award.

Davidson has reason to be proud of its Debate teams whose outstanding achievements make it the best in Mobile County.

"A debater's home away from home."

Championship debaters are proud of their sponsor, Mrs. Dis-mukes, who has inspired their victorious achievements.

Team members work on their prize winning speeches the night before the tournament.

Many group discussions were held concerning style, time limit, and delivery of forthcoming speeches.

Ever since the early days of Greek drama, people have always enjoyed entering the make-believe world of fantasy that is found on the stage. The Dramatics Club of Davidson is no different. Under the supervision of Miss Farish, they have organized themselves into a company of actors who present their plays on the stage of the Lecture Room.

Eddie Sossaman sits patiently while Miss Farish touches up his make-up.

The future doctor's Club consists of all students who are interested in medicine or a medical career. These persons are lectured at some of their meetings by local physicians or other persons concerned with medicine. A few of their speakers were a pediatrician, a plastic surgeon, and a heart surgeon. The members of the Future Doctor's Club have also planned to take several field trips to various hospitals and institutions in Alabama, such as the hospital in Birmingham. The meetings of the Future Doctor's Club are held at Dr. Wright's office in Mobile. The faculty sponsor of this club is Mr. Rogers, a new physics teacher at Davidson this year.

The Davidson Choral department consists of a Special Chorus, Mixed Chorus, Girls' Chorus, trio, and a group of Madrigal singers. The members of these groups are chosen by the choral director on the basis of their tone of voice, interest in music, and their ability to read music. The Madrigal singers are sixteen advanced students chosen from the "Special Chorus". These groups practice daily on music ranging from Negro spirituals to semi-classical selections.

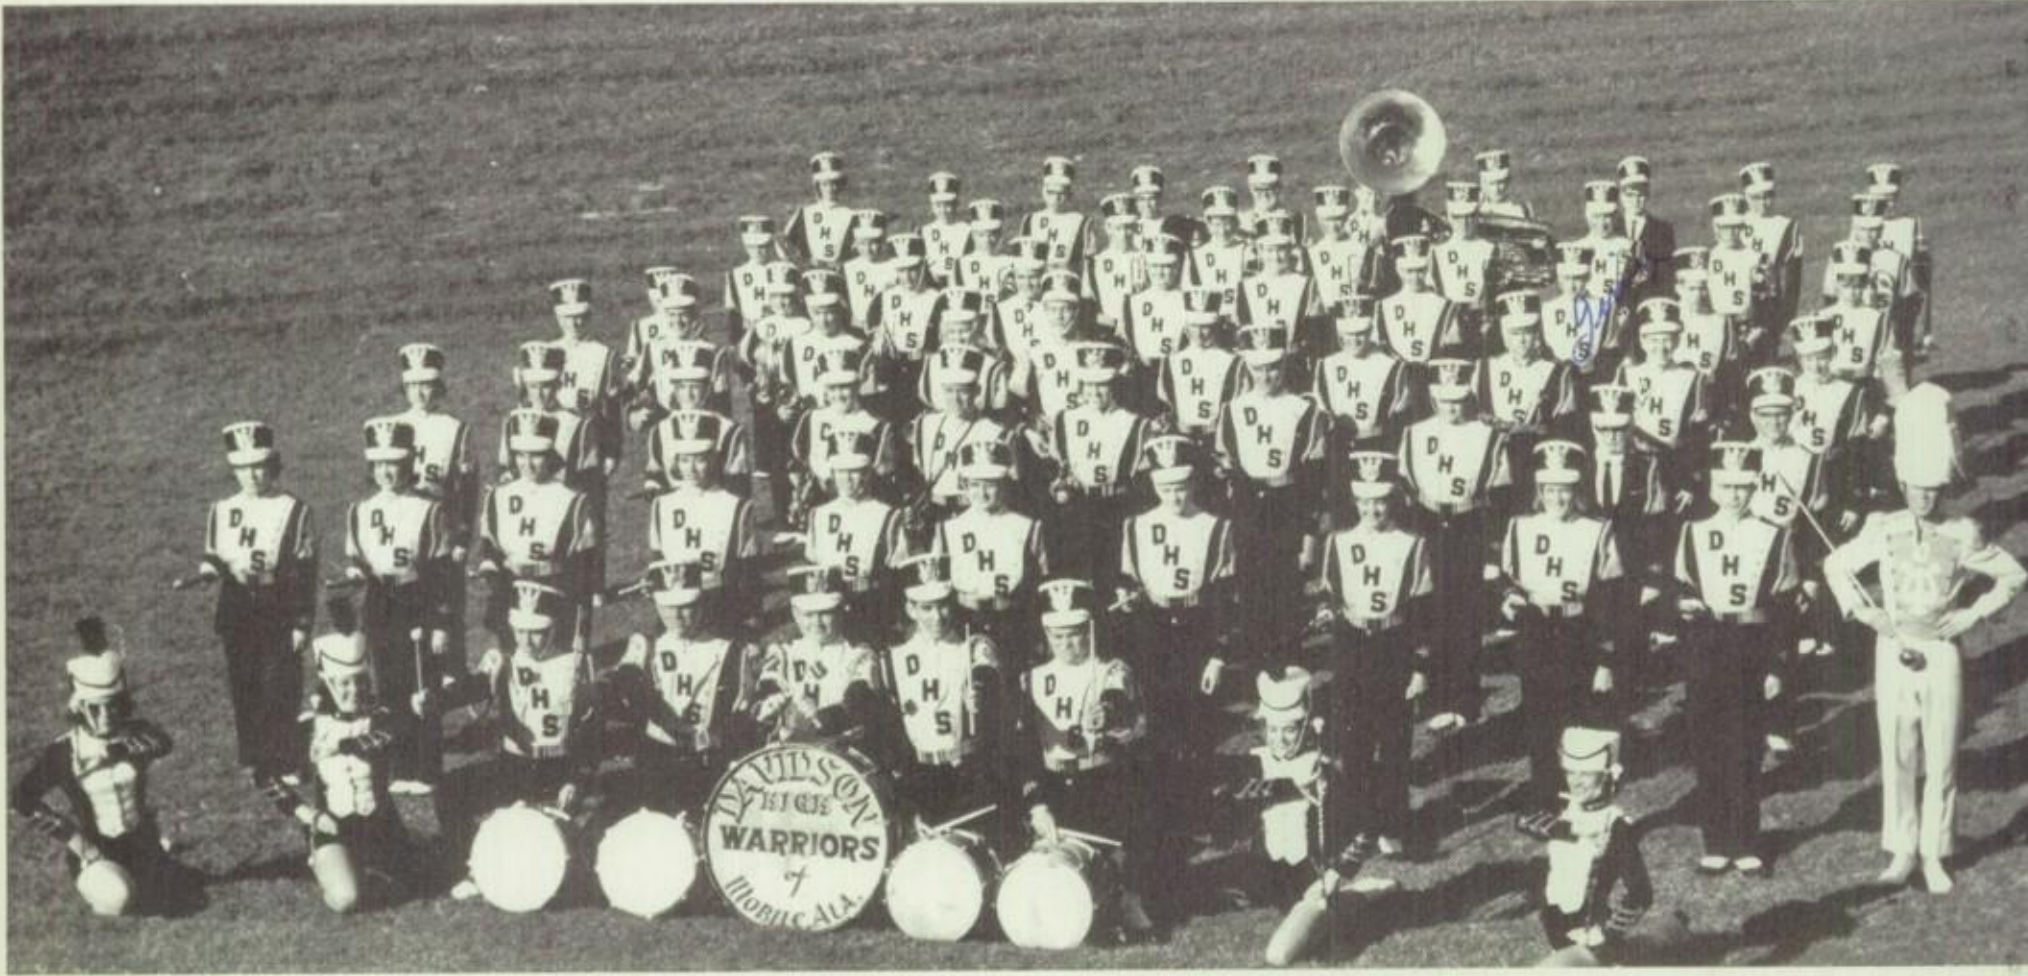

The Davidson Choruses have performed on many occasions for the P.T.A., several local churches, and the Special Chorus performs annually at Christmas for the American National Bank.

Each year the entire choral department participates in the Choral Festival held at U.M.S. If one of the groups receives a recommendation they travel to the University of Alabama to participate in the State Music Contest. One year at this contest the Davidson choruses tied for first place in the state ratings.

Two choruses sing Christmas carols at P.T.A. open house.

Superior Rated Band

Davidson High School Precision Marching Band

David Mann, drum major displays excellent form on the marching field in leading the Davidson High Band in half-time performances and in other marching events.

Symbolizing the students' spirit and loyalty, the Davidson High Marching Band can be seen performing in half-time shows and at pep rallies during the football season.

The band also performed at the dedication of the new Mobile Municipal Auditorium as well as at the dedication of the Historic Phoenix Firehouse.

This year 9 members were chosen for the All-State Band Festival at the University of Alabama. The Festival, which is held in March, gives those members chosen an opportunity to perform with outstanding bandmen from the entire state, in addition to providing 3 days of fun away from school activities. The Davidson students are very proud of the accomplishments of their band and of the excellent way in which the members of the band have represented their school.

Mr. Thomas has gained the respect of the entire student body and faculty for his leadership ability as well as for his co-operation with the students.

As Autumn descends upon the city of Mobile, everyone begins to look forward to the annual event known as the Greater Gulf State Fair. People from Mobile and the surrounding areas are eligible to enter the contests and exhibits of the Fair.

The Mobile Junior Chamber of Commerce, which sponsored the first Fair eight years ago, brings the Fair to Mobile each year to honor the holiday spirit and gaiety of the Mobilians. Aside from the circus presented in the arena at the Fair, many different rides and side shows provide entertainment for people of all ages. Displays of all types appeal to persons, who are interested in information concerning new developments in agriculture, science, and the fine arts. Charitable organizations, schools and clubs promote wide-spread interest in the informative exhibits.

Games, Pep Rallies, and School Dances Are Favorite Pastimes

Linda Reed and Kay Lewis, Captain and Co-Captain, enthusiastically lead the student body in cheering at the pep rallies during activity period in the school gymnasium.

The spirit of Davidson grows with the passing of every school year. Pep rallies, games, and dances help to build the enthusiasm of both players and spectators alike. Led by exuberant cheerleaders and mascots, students join in cheers to spur the team on to victory. These functions help to brighten the drudgery of schoolwork while arousing the ever present feeling of pride in the traditions being established at Davidson. Throughout the entire season our team is assured that the students are behind them one hundred percent.

Holiday Spirit Celebrated by Faculty Honoring the Principal

The Faculty Christmas Party was arranged as a surprise in honor of our principal, Mr. Sam Shout, who is taking a leave of absence to continue work on his doctorate degree.

The faculty honored Mr. Shout with a brief case as a going away gesture.

The gaiety of the Christmas Season shone in the folly and laughter, which echoed from the cafeteria, as the faculty members "let their hair down" and enjoyed a lively party. Mr. Shout, the honored guest at this festive occasion, was totally surprised and given a gift to commemorate his leaving to continue work on his Doctorate Degree at Auburn University. Mr. White was also presented with a gift; he will assume the position of Acting Principal in Mr. Shout's absence.

In September the Davidson Student Council elected Claude Mueller as the representative of the County Student Council. Claude now represents Davidson as County President.

Ken Thomas, a sophomore, attended Davidson until December 29, 1964, when Senator John Sparkman appointed him as page in the Senate. Ken began his duties as page when the Senate convened in January.

Ken attends Page School on the fourth floor of the Library of Congress in Washington from 6:30 until 9:45 each morning. Then he goes into the Senate at 10:00 a.m. to perform his duties on the floor of the Senate until it adjourns for the day.

Ken earns eighteen-hundred dollars a session. He plans to save his earnings for college where he will study law. He intends to enter politics after graduation from law school.

Mike Bergbower, Richard Dulany, Bill Boyd, Robert Chastant, and Bobby Allen were elected this year for various offices during Youth Appreciation Week.

Mr. Gwin now serves as Davidson's Assistant Principal.

Davidson's Dramatists Present First Shakespearean Festival Held in Mobile County

"Fair is foul, and foul is fair: hover through the fog and filthy air." The Witches Scene from Shakespeare's "Mac-

beth" is skillfully enacted by Nancy Taylor, Kay Ranger, and Sheila Walker depicting the three weird sisters.

The Shakespearean Festival noted Davidson's first attempt to promote a presentation of this nature. The play was broadcast on two leading news programs on WALA Television in Mobile.

The determination and willingness on stage by the drama students played a principle role in the success, but the excitement and talent was a direct relay to the audience's imagination and pleasure. The magic of theatrical lighting and make-up brought the characters to life. The Dramatics Department has developed in a short period of time into a professional group. Surely the Shakespearean Play is a prime example of a school which has matured and one that will continue to flourish in the future.

Steve Hinkley as the Lion, Joe Cunningham as Moonshine, Danny Butler as the Wall, Monty Barret as Pyramus, and John Plovonichas Thisbe re-enact a scene from "A Midsummer's Night Dream" in which Pyramus wishes to see Thisbe through the hole in the wall.

Brent Cunningham and Sally Berg portray characters from "As You Like It."

The first Weird Sister was ably enacted by Kay Ranger who gave a magnificent performance which is understandable as she was selected the Outstanding Senior in dramatics.

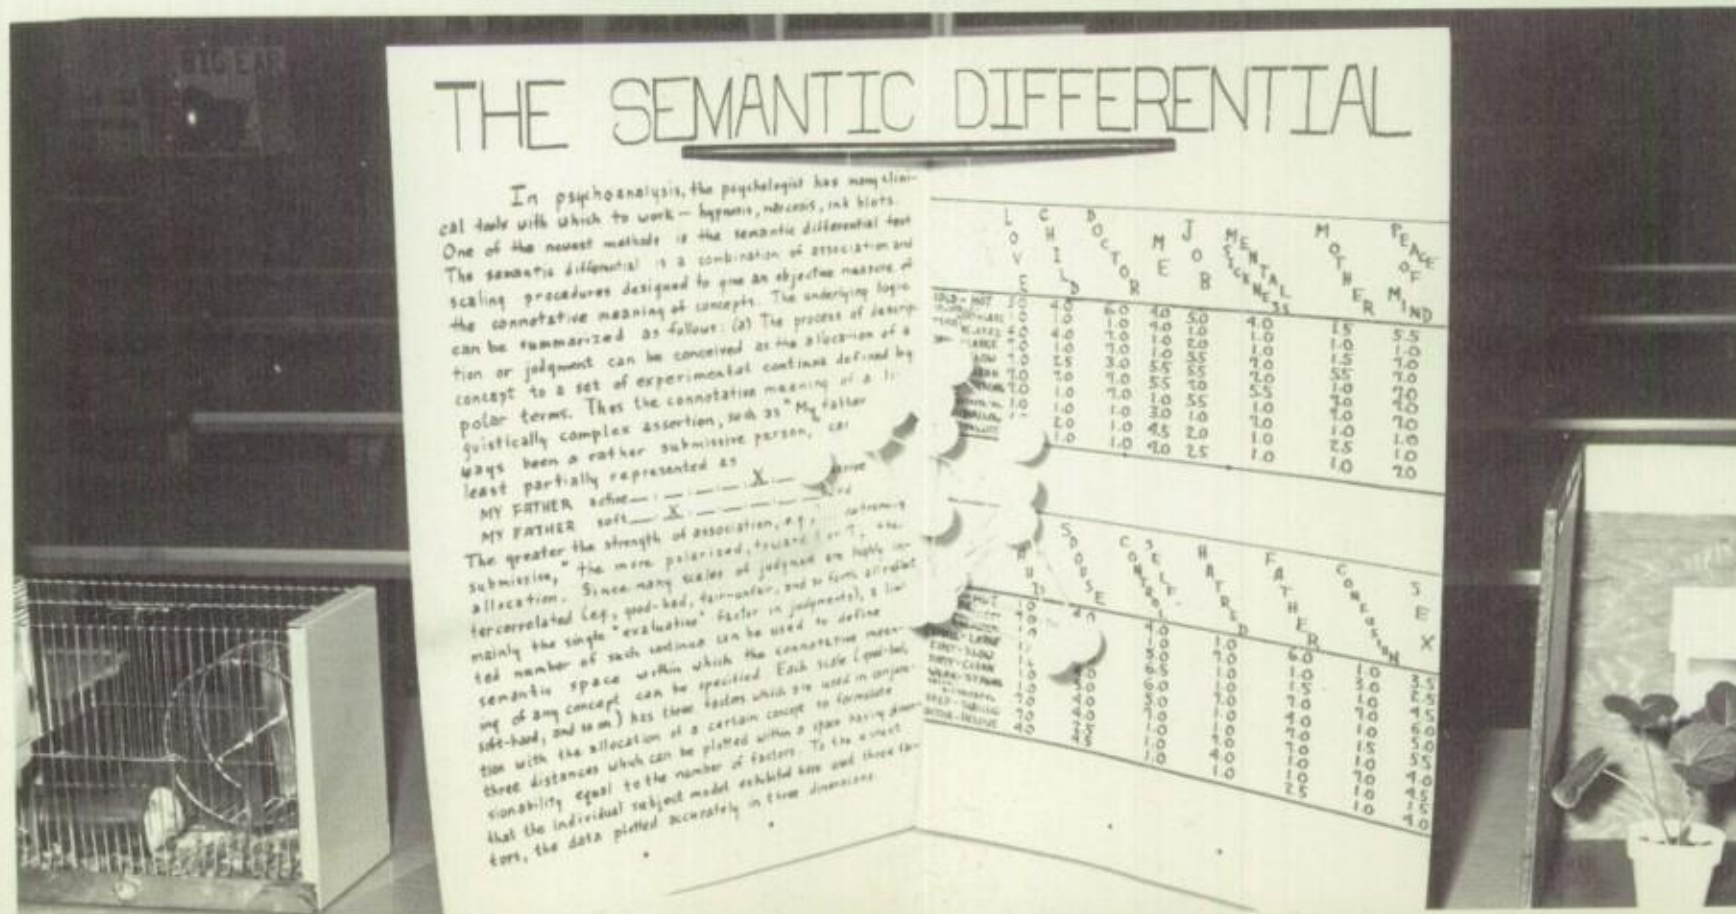

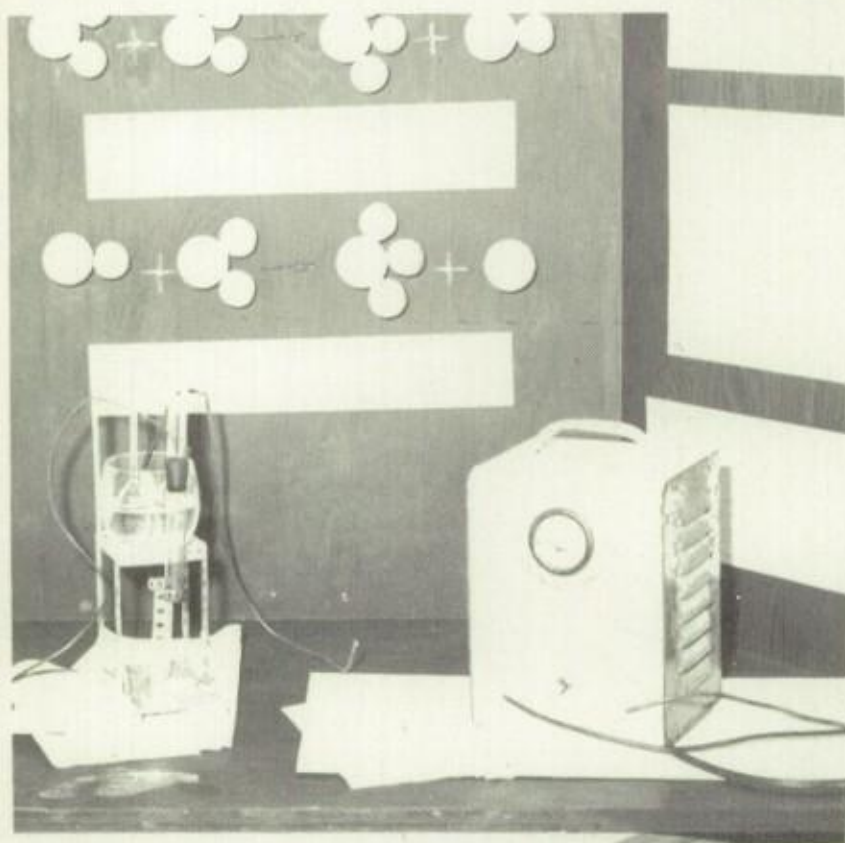

"Double, double toil and trouble, fire burn and cauldron bubble" chanted the weird sisters as they circled the pot of "hell broth".

Science Fair Held During February

Projects for the annual Science Fair are exhibited in the library at Davidson. Each member of a science class is responsible for displaying his own original work. The projects are viewed by a panel of judges who decide the winners based on the originality, effort, quality, research, and purpose of the project. The exhibits vary from work in the field of Biology and Chemistry to that of Physics.

The records show that the Senior Bowl began on January 7, 1950, in Jacksonville, Florida and moved to Ladd Stadium in Mobile the following year and has rapidly grown to national prominence. It now ranks by many experts as the nation's number one post-season all-star game.

The idea for the game was conceived by Jimmie Pearre, Nashville, Tennessee, general contractor. Testing the idea first on his friends and then on football followers the nation over, Jimmie slowly enlisted many avid supporters for his plan to stage a unique post-season game for graduating college seniors—a game in which the players themselves would benefit financially from their grid talents.

It was several years later before the first tilt was played and it has required countless hours of additional toil on the part of hundreds of supporters to bring the game to its present status.

The Senior Bowl provides a testing ground for football players with professional aspirations. The game is thoroughly scouted by every professional team in the United States and Canada.

The game is played annually after completion of the other all-star tilts making it possible for many of the standouts of those games to take part.

Conceived by a man with a dream, built upon a solid foundation of sound ideas and hard work, enjoyed by hundreds of players from coast to coast, and adopted by thousands of players from coast to coast.

Vivacious Cheerleaders Rally Spirit

From Left to Right—Diane Eddins, Theresa Cunningham, Glenda Hairston, Denise Mulligan, Linda Reed, Kay Lewis, Carol Eisenbrey, Linda Hairston, Patti Driscoll.

Cheerleaders build spirit for the games by leading students in school pep rallies.

In a football game, there is a great deal of emotion portrayed by the spectators, ranging from wild excitement on a fingertip catch of a long bomb to utter despair as the powerful enemy takes advantage of a "bad night" and makes score after score. To co-ordinate this emotion into something definite so the team knows someone is behind them is usually left up to a bunch of pretty girls with a good set of powerful lungs. This is not an easy job. Through rain and shine, in miserable drizzle to numbing cold, these girls must always be pert, act excited, and be smiling. Hoarse voices get only one substantial break—at halftime. Cold legs still must jump around. But win or lose, the cheerleaders always have the satisfaction of knowing that they did their best to win by letting the team know that for better or for worse, the school spirit was still with them.

We had nine such dedicated young ladies—Seniors Carol Eisenbrey, Denise Mulligan and Linda Reed, who was the Head Cheerleader. The Junior Class was represented by Patti Driscoll, Diane Eddins and Kay Lewis (she was the Co-Head Cheerleader). Sophomore Cheerleaders included Glenda Harriston, Linda Harriston, and Theresa Cunningham. The Davidson Cheerleaders were very serious about their work—they attended Cheerleader Conventions to keep up with new cheers, and always presented the pleasant side of Davidson.

Coaches Fletcher, Bolton, Brown, Chapman, Redell, Little, Moore

Gridiron Staff

A football team, no matter how much individual talent it possesses, is little more than a group of athletically inclined people unless it has at its head a fine coaching staff. The coaching staff provides the plays, gives important advice to budding athletes, supplies leadership and a standard to live up to, hands out fire when it is necessary, and sympathy where it is needed. These fine coaches were once young athletes too, who looked to their coaches for advice, leadership and encouragement. So with them they carry the hope that they, also, will provide the example that a youthful football player will remember all his life.

Coach Redell was at the head of our coaching staff, and under him were coaches Bolton, Brown, Chapman, Fletcher, Little and Moore. These fine men went above and beyond the call of duty in making a bunch of boys into a proud Davidson team.

Warriors Take Fewer Scalps This Year

Davidson's Warriors got off to a fine start in the 1964 season by stomping on Alba, 27—7. Then the first defeat of the season came behind this victory as the U.M.S. Cadets beat the Warriors in a tight struggle, 13—0.

In the next outing, Davidson took on the McGill Yellow Jackets, who scored early in the game and led in the quarter, 7—0. But Davidson fought back and scored on an 11-yard pass from Mike McFarland to Sidney Stevens. But the extra point was no good and the result was 7—6.

The Warriors went on a scalping party to take on the Pensacola Tigers, a tough team in Florida. The Warriors caged up the Tigers 0—0 in the first half, but the Tigers broke loose and romped, 25—0.

Then the Warriors, tired of dropping games, took on B.C. Rain's Raiders and left scalps all over the field in a 33—0 massacre. Davidson scored the first three times they had the ball, and twice again in the second half. The Raiders were never even given a chance to get close to the goal for a good look, as Davidson's fine defense kept Rain from making any raids in the end zone.

Vigor was the next team in line, and even though they won, Davidson still played a fine game to the end. Vigor scored early in the game, but the Warriors responded with a touchdown and an extra point, leading the Wolves 7—6. Then, however, Vigor got ideas and scored a field goal. This and a fourth-period touchdown won the game for Vigor 16—7.

Davidson stepped out of the teepee and made a housecall on the Lanier Poets, who swept over the Warriors, 40—6. A fine defense kept Lanier to a 13—0 lead at the half, but the Poets broke loose and chalked up 40 points by the end of the game. But Davidson left a mark—a lone touchdown in the fourth quarter on a Mike McFarland pass.

In the next game, Theodore was the opposing team and the Bobcats walked off with a 21—13 victory, an upset by Davidson's point of view. The Warriors tried the best they could in the second half, but the Theodore defense kept them to 13 points.

Warriors Hook Sharks 27—7

Davidson opened its football season by defeating a determined Alba team at Ladd. Coach Redell's Warriors played good all along, scoring the first two times they had the ball and hitting paydirt in every quarter of the game.

The statistics show that the Warriors were on the ball. While Alba was slightly favored on pass yardage, Davidson had 21 first downs to their four, and Alba was outrushed by more than 3 yards to 1.

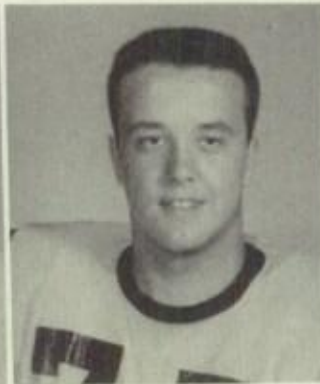

Ronnie Scott scored early on the 20-yard run, and Palmer Williams ran the PAT. The next to do his part was Carl Morris, who went over the line for the touchdown. Williams again ran the extra point. Scott scored his second TD during the second half and Mike Kittrell took the ball for the PAT. Our last touchdown was a Steve Kittrell pass that Morris caught in the end zone. Alba had one touchdown, made by Tom Lamey.

Davidson was upset in a surprising loss to the U.M.S. Cadets in a hard-fought game at Ladd Stadium. Davidson had a good offensive drive in the first half which moved to the U.M.S. ten-yard line, but the Cadets held firm and took the ball on downs.

The scoring took place in the third and fourth quarters, when U.M.S. took to the air to complete two aerial bombs.

This was Davidson's first loss of the year.

Jackets Nip Warriors 7—6

The Davidson team went out again with high spirits, but got stung for their second loss of the season. The Jackets scored in the second quarter of the game, and kept Davidson scoreless until the last quarter, when (on perhaps the most exciting play of the season) quarterback Mike McFarland passed to end Sidney Stevens, who was hit immediately, but fought his way to the goal to score. Our top rushing was done by Lonnie Stacey, with 44 yards, Carl Morris who ran 27 yards, Mike Kittrell with 18. Mike McFarland passed 22 yards, completing three out of seven tries.

Davidson took a trip to Pensacola for their first game away from Ladd and got beat for the third game of the year. Davidson held the Tigers to a 0—0 tie until the second half, when the Tigers ground out four touchdowns. The Warriors did rather well on passing, completing four passes out of 11 tries for 58 yards. The Warriors rushed for a total of 71 yards.

Warriors Scalp Raiders 33-0

The Davidson Warriors broke a three game losing streak by winning their Homecoming Game with the B.C. Rain Raiders. The game was a show of Davidson's powerful ground game, which gained 336 yards. Two passes were also completed for 41 yards.

The Warriors scored the first three times they had the ball and developed a 2-0 lead at the half-time period. The first touchdown came when Mike McFarland hit paydirt on a 4-yard run. The second scoring was the result of Mike Kittrell's 7-yard rush to the end zone. Then it was McFarland's turn again with an 8-yard gallop on a keeper play off left tackle. Davidson had the ball one other time in the first half, but halftime came, before another touchdown could be made.

As soon as Davidson got a hold of the ball in the second half, another change on the scoreboard was evident as Lonnie Stacey dashed 13 yards for a touchdown. Mike McFarland's kick was good and the score was 27-0. Then the second unit took over and the result was a 7-yard touchdown pass from Steve Kittrell to David Kensaul.

It was a glorious night for the Davidson offense and defense. Mike McFarland scored twice and rushed for 92 yards, while close behind were Mike Kittrell and Lonnie Stacey, with 80 and 64 yards respectively. Palmer Williams made a big 86 yards.

Vigor Edges Davidson 16-7

The Vigor Wolves and the Davidson Warriors stubbornly fought in a tough game at Ladd Stadium, but Vigor came out top on a fourth touchdown.

The Wolves lost no time on putting up their first touchdown on the scoreboard, but Davidson responded with a scoring drive that ended in success as Mike Kittrell ran from the one-yard strip to the end zone. This and an extra point kick by Mike McFarland put the Warriors ahead, 7-6. Later on, the Vigor team got high hopes as the ball was on our three-yard line. But they were pushed back by an inspired defense and had to settle for a three point field goal that put them ahead 9-7 at the half.

In the third quarter, Davidson dominated the football, but the two drives were pushed back by a relentless Vigor defensive team. On the latter drive, Vigor held Davidson back for two plays, so Mike McFarland attempted a field goal, but the try wasn't good. Later in the fourth period, Vigor scored on a pass from within the Davidson 25-yard stripe.

Davidson rushed well, driving a total of 169 yards through the Vigor defense. Quarterback Mike McFarland riddled the Wolves with five passes, gaining 49 yards with his arm. The defense, as usual, was on the job as Mike Kittrell grabbed a Vigor pass on our 19 yard line, stopping a powerful offensive surge by the Wolves.

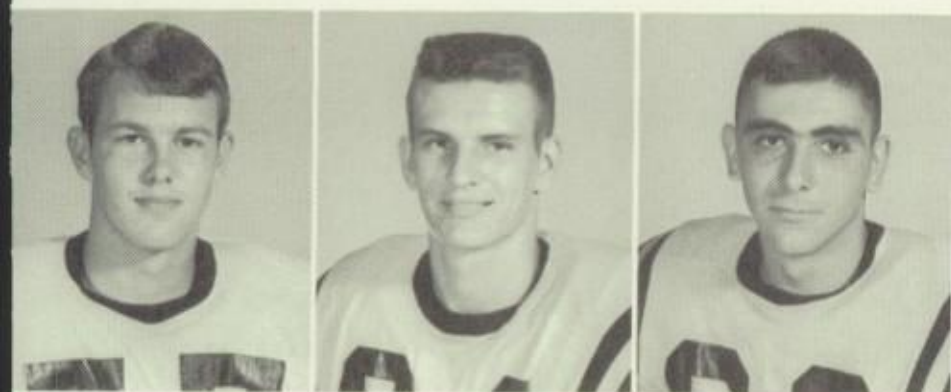

Carl Morris shows Vigor the hard-running side of Davidson's offense.

Poets Overrun Davidson 40-6

The Davidson Warriors went all the way to Montgomery to play the undefeated Lanier Poets and come back with a 40-6 defeat.

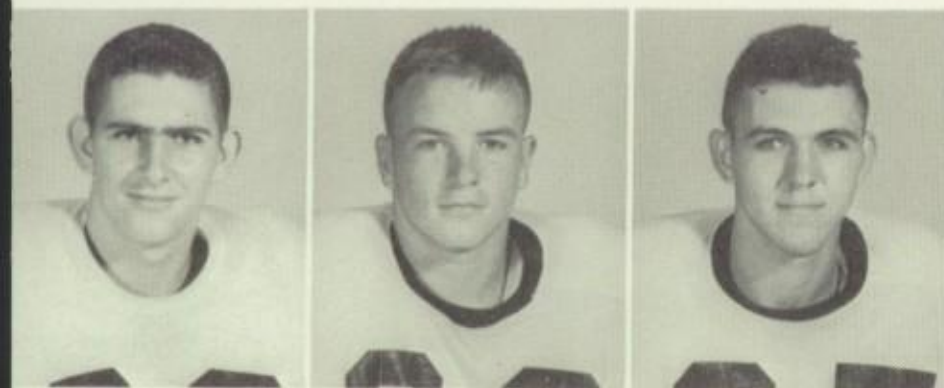

Lanier was held well by an outstanding Davidson defense in the first half, allowing only two touchdowns. In the second half, however, the Poets broke loose and scored forty points or a total of six touchdowns. Then the Warriors uncaged themselves and made a lone touchdown to show the Poets, that Davidson could do it. The paydirt was hit on a pass of 23 yards from Quarterback Mike McFarland to halfback Carl Morris who found his way to the end zone. However the extra point was kicked wide of his mark. Jimmy Johnson was a defensive standout for Davidson.

Bobcats Upset Warriors 21—13

Theodore took on Davidson and came out with an upsetting victory at Ladd Stadium as the Davidson Warriors lost 21—13.

The Bobcats started out with a touchdown in the opening minutes of the game, but Davidson responded with a drive that moved the ball to the Bobcat's five, but an alert Theodore defence kept the Warriors away. The halftime came with a 7—0 lead for the Bobcats.

Again Theodore started out with a touchdown in the first few minutes of the second half, but Davidson's scoring drive of 78 yards was a success when halfback Palmer Williams ran around the right end for an 18 yard touchdown. The Bobcats scored again on a 1 yard plunge, but again Davidson scored on another drive from the Davidson 34. Quarterback Mike McFarland filled the air with passes, and sneaked across the 1 yard stripe for the second touchdown. Theodore took possession of the ball for the last two minutes, running the game out.

This marked the first time that Theodore had ever beaten the Warriors, Davidson's sixth beating in eight outings.

Senior Joe Hess expresses delight when Davidson took early lead over the archrival, Murphy Panthers.

Carl Morris, Fleet Davidson Senior halfback, evades a would-be tackler in his struggle to gain yardage in the game against Theodore.

Panthers Maul Warriors 14—7

In the last game of the year, Davidson had hopes of gaining a win over the Murphy Panthers, the Warriors' traditional rivals. For a while, it looked as if the Black and Gold would come out on top, or at least tie. But the Murphy team was on the treadmill in the fourth quarter, as the Panthers finally managed to sneak over the goal line for a touchdown. This marked the first time that Murphy had outdone Davidson on the gridiron since the schools had assumed athletic relations.

The warriors scored first in the game as Robert Massengale pounced on a Murphy fumble and set up the Davidson team for a powerful offensive drive that took the team downfield for 43 yards. Mike Kittrell and Mike McFarland took turns battering the Murphy defense and moving it backwards. When those two had brought it to the two-yard line, Lonnie Stacey hauled the pigskin to the end of the journey as he zipped around end through enemy territory, and finally into the end zone. Mike McFarland put on his kicking toe and booted the extra point.

But Murphy retaliated with a touchdown of their own, taking the next kickoff and creating another migration to the end zone. This, along with the fourth-quarter score that was tallied only with great difficulty, finished off the Warriors.

However, it was a fine game, and the several seniors who were playing their last high-school football game gave one last try for Davidson.

Wesley Miller recovers one of many Murphy fumbles and it's first and ten for the Warriors.

The Davidson Junior Varsity was the most successful of the Davidson football squads this year. It was the proud owner of a 6—1 season record, and was also considered to be the best J.V. squad in the city. The opposition was shut out in all but two contests, while Davidson chalked up 78 points.

Coach Little had a fine squad from which to develop a winning team. Fleet backs and a heavy line, directed by a determined coach, was the mainstay of the "YOUNG BRAVES" attributes.

The Junior Varsity posted one of its best seasons in the triumphant campaign.

Coach Little and his outstanding players.

Bruce Anderson, number twelve, who is the quarterback of the Junior Varsity team, finds the yardage tough to gain against Murphy.

The Junior Varsity opened up a splendid season by taking over McGill, 13—0. Back Danny Brown made the first tally and halfback Blake Luker picked up a McGill fumble and returned it 60 yards for a touchdown. Danny Brown ran an extra point.

The squad continued its winning ways by stomping Shaw, 29—0. Elliot Conway was the top scorer with two touchdowns, while Bruce Anderson passed to Ernie Frost and Abbie Lockamy scored on a blocked punt. A safety was also added.

Satsuma fell next to the victorious J.V. squad. The only tally in the game was a 35-yard end-around run by Elliot Conway. Danny Brown ran over for the extra point.

Vigor's J.V. squad was the only team that stood

in the Junior Varsity way as Vigor edged Davidson, 14—13. This marked the first time in the season that Davidson had been scored upon.

Davidson bounced back, however, by taking Murphy in two straight games. In the first contest, Murphy was barely nipped, 7—6. The Davidson touchdown was scored on a 50-yard pass play from quarterback Bruce Anderson to halfback Tommy Doughty. Elliot Conway scored the winning PAT.

The second victory over Murphy came in a 9—0 sweep, including a 20-yard field goal by Cecil Brasell. A last-minute pass from Bruce Anderson to Jimmy Talbert made the 9—0 victory complete.

Cecil Brasell prepares to kick a twenty yard field goal in the third quarter of the game against Murphy as Don Faircloth (11) holds the ball.

The Freshman cheerleaders assist the Varsity Cheerleaders with their money-making projects. Under the able leadership of their sponsor, Miss May Campbell, and the head cheerleader, Linda Marshall, the girls deserve much credit for boosting the morale. These cheerleaders are chosen in the fall of their freshman year. Girls wishing to try out, cheer before a panel of judges. The finalists are then voted on by their classmates.

Linda Marshall, head cheerleader, has helped to promote enthusiasm among the Freshman Cheerleaders.

Freshman cheerleaders show their gratitude to the team for scoring a touchdown by kneeling at the goal line.

Davidson's Junior High Football Squad posted a 5—3 record, which, even though it's not an impressive record, was a great improvement over the 1—5 season set up by last year's freshmen. There were several outstanding players on the squad who may prove to be the Junior Varsity and Varsity stars in the seasons to come. Wade Boyette, the number one Freshman quarterback, was a steady and heavy scorer in almost every game. Halfback Jerry Arnold was the extra point producer, and Tackle Larry Trahan was responsible for keeping the opponent's offences from rolling in the wrong direction.

Larry Trahan (79) and Wade Boyette (10) were the mainstays of the freshmen team who, under the guidance of Coach Brown, posted an impressive 5—3 mark this season.

5—3 Record Posted to Freshman Team's Credit

Wade Boyette scores the extra point against Phillips Junior High with Ricky Walters holding the ball.

Wade Boyette circles left end against Barton Junior High to run eighty yards for six points. The final score was Davidson 32 to Barton's 7.

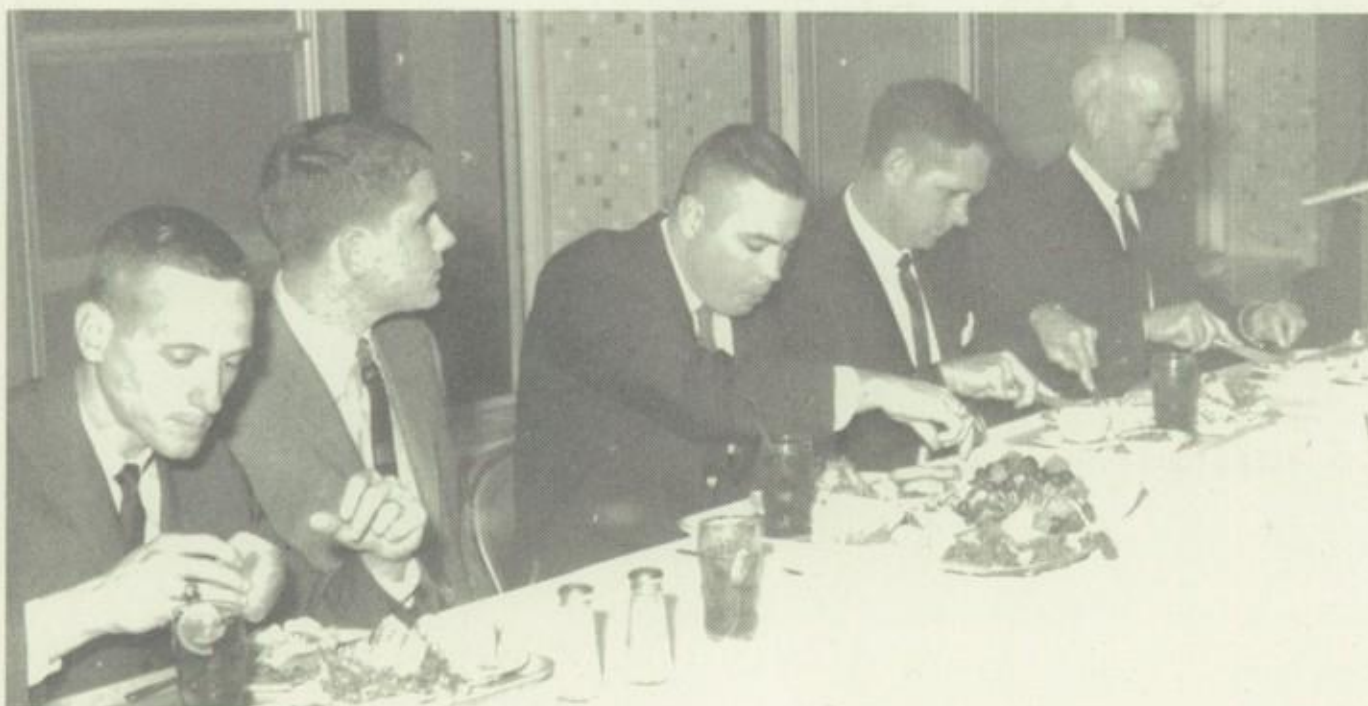

The Junior High Squad improved greatly over last season's one victory as they rolled to a 5—3 season, and third place berth in county ratings. After being defeated 13—6 by Mae Eanes, the Baby Warriors bounced back and edged the B. C. Rain team 6—0 as Jerry Arnold scampered 15 yards for the touchdown in the first period. The Davidson defense kept the Little Raiders from scoring.

Davidson's Junior High lost their third game to the City Champions, Phillips, 26—7. This was their worse defeat of the season. But Davidson snapped back into the picture as Citronelle, Alba, and Barton all fell to the little Tomahawks.

The Baby Warriors first rolled over Citronelle, 26—0. Ken

McDonald, Bob Hairston, Wade Boyette and Paul White scored the touchdowns as Jerry Arnold ran for two extra points. Then Alba fell to a terrific beating, 47—0. Wade Boyette scored two touchdowns, and Jerry Arnold, Mike Stevens, Jimmy Oswalt, Billy Smith and Ricky Walters each tallied once. Barton was next in line, and it went down 32—7. Wade Boyette was the outstanding player of the game, as he threw three touchdown passes and ran two.

Clark Jr. High came in however and stopped the wheels as their team won 6—0. In the last game Satsuma bowed to Davidson 13—7. Billy Smith and Wade Boyette were the scorers in the game for Davidson.

Coach Wilcox, far right, after serving as guest speaker enjoys the meal served at the Freshman Football Banquet. The members of the freshman team received their letter at this banquet which

commemorated the season. The Coaches are, left to right, Coach Bolton, John Dority (Senior Assistant), Coach Brown, Coach Redell, and Coach Wilcox attended the dinner.

Although Davidson posted a mediocre 8—13 season, the Warriors had two fine scorers. With Ricky Sharpe averaging 13.3 points and Harry Nelson shooting 16.6 points, the offense was always giving the opponents a hard time.

Davidson was a consistent winner over UMS, Baker, and Rain. Fairhope and West End of Birmingham also fell once each.

The Warrior five lost the first five games in the season before licking Baker impressively. The score was tied in the half, but Davidson jumped to an 83—60 victory. Harry Nelson sunk a respectable 43 points.

Davidson won again against Rain, 72—55 with Harry Nelson, Gene Tomlin, and Ricky Sharpe hitting plus-ten. The Warriors continued winning with a 63—59 gain over UMS. Nelson, Sharpe, and Rusty Balthis hit over ten points each.

In the next eight games, the season was back and forth as Davidson won 4. The Raiders fell 73—63 as four Warriors scored plus-ten. Then West End was hit with a 46—44 loss as Davidson made a tremendous fourth-quarter effort. Baker, who bowed 61—57, were easy prey for the Warriors. Then the Cadets bowed to a 49—47 fourth-quarter effort by the Warriors.

The Warriors suffered five defeats before winning the last game of the season with Fairhope, 64—50. The season half told the story as Davidson shot ahead. Three Warriors hit plus-ten.

Junior Varsity

Second in the City

At the end of the season, the Davidson Junior Varsity was the proud owner of a 14—7 record. With such players as Blake Luker, Ronnie Adams, David Speed, and John Laehy, the Baby Warriors were a constant worry to whatever team they played.

After losing to Escambia, 43—33, the Junior Varsity played Shaw and Toulminville and beat them 55—35 and 51—46, respectively. The next two games were losses but the Baby Warriors hit a winning streak as Baker fell, 52—35, B. C. Rain toppled, 57—29, and UMS lost, 48—39. After a loss to Vigor, 60—48, the lucky number "three" came up again as B.C. Rain was stomped, 41—36, Shaw was beat, 60—57, and Theodore was nipped, 41—39. McGill proved to be too much as the Junior Varsity bowed to a 43—35 defeat. But again, the number "three" prevailed as Baker got nipped, 49—48, UMS fell by a beating of 60—23, and Murphy was manhandled to the tune of a 66—43 stomp. Escambia and McGill were "bad news" for Davidson, but again the number "three" showed up in the Baby Warriors' zodiac as three teams took three bad cases of mauling from the red-hot J.V. squad. The result; Davidson, 58, Theodore, 26; Davidson, 63, Vigor 31; Davidson, 52, Fairhope, 28. Thus did the Davidson Junior Varsity end the season in the "Tomahawk Style."

David Mechler prevents a Theodore Cager from scoring as the inspired Warriors went on to win 41—39.

David Speed and Jimmy Talbert apply a full court press which resulted here in Theodore losing the ball.

City Championship Captured by Freshman Team

Davidson's Freshman Basketball Team captured first place in city competition, posting an excellent record of 12—1 for their season's play. With Wade Boyette snapping off about 15 points per game, the Davidson Team rode hard and was undefeated until the tenth game of the season, which was with Phillips.

The Freshmen started the season well, running up a lopsided 64—22 score with Baker. The Baby Warriors again surged ahead with another lopsided victory, 47—17. Wade Boyette scored 17 points.

McGill was the next victim in the path of the Davidson Freshman team as they fell, 34—20. After this victory, another win came to the squad as Davidson turned back Shaw, 43—23. Phillips was beaten in its first game with Davidson, as Davidson rolled over them 41—30. Then Eanes toppled in a tough 51—47 victory for Davidson, as Wade Boyette put in 22 points.

Next was Theodore, who got trounced, 45—16, as Wade Boyette again led the scoring with 23 points. Clark was next in line as they were tipped for a scanty 49—47 defeat. Wade Boyette and Rodney Wilson were the top scorers for Davidson. Shaw fell next, 39—25, before Davidson suffered its first and only defeat, but the Freshman bounced back with three wins to complete the season: Eanes, 36—31; Theodore 48—16; and Clark 48—34.

Cinderman Attempt Improvements

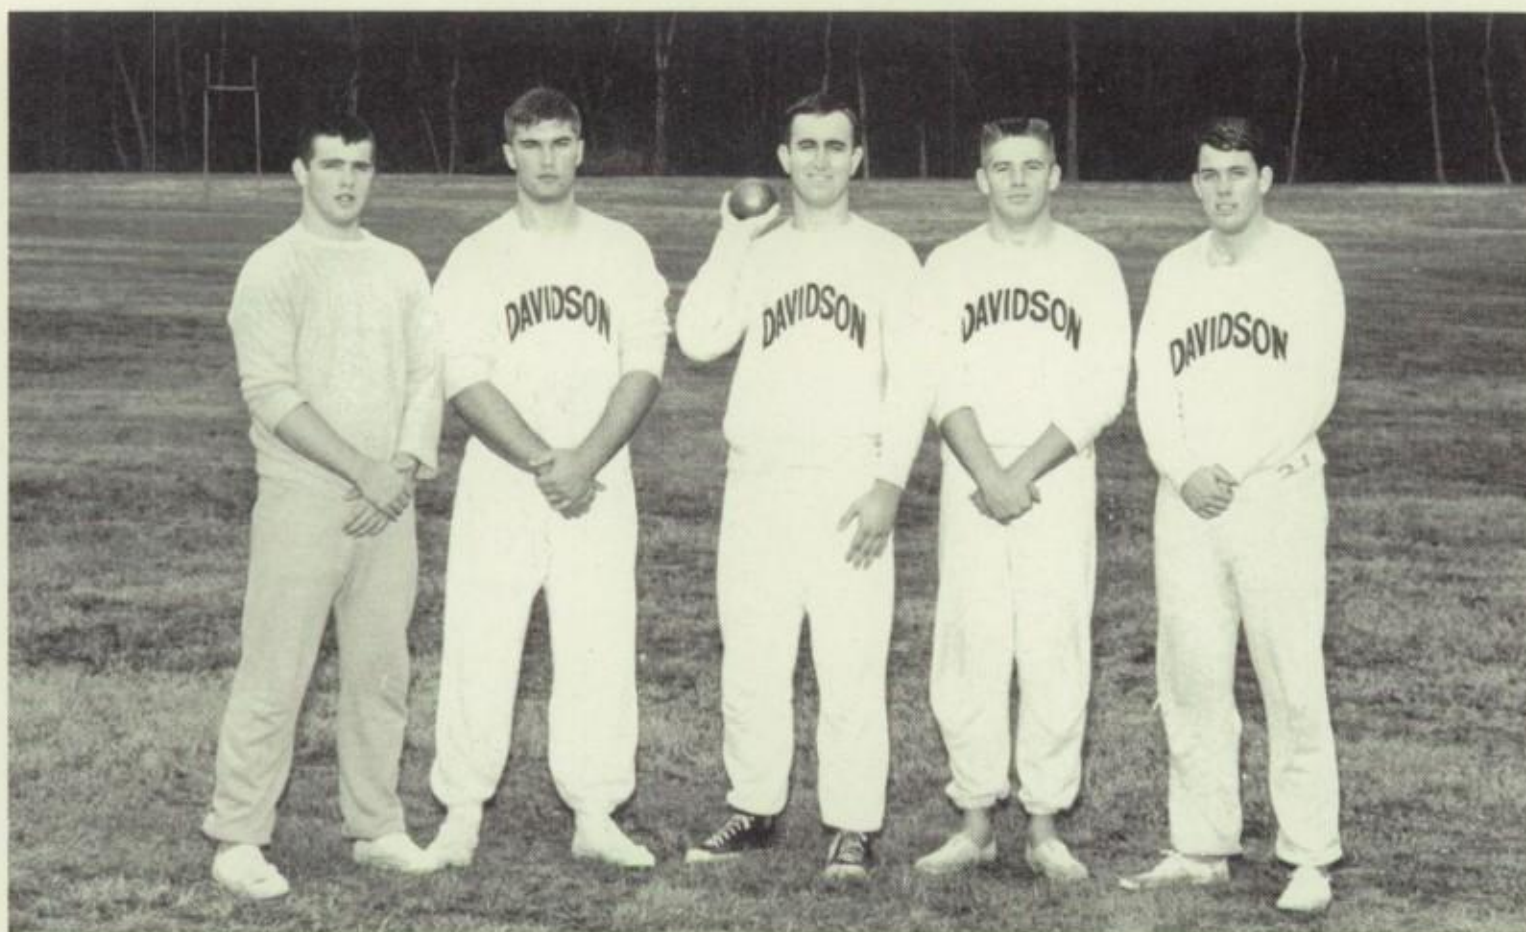

Arthur Miciello practices clearing the low hurdles in preparation for the state track meet.

This season's track team, with an increased number of athletes on the squad, shows promise in the up-and-coming track meets. In the mile relay, Bruce Anderson and Jerry Hall will be showing up other teams in and out of the city. Straddling the hurdles will be the job of Arthur Miciello. Don Hyman and Carl Rush will run the quarter-mile, half-mile, and mile events in the track meets.

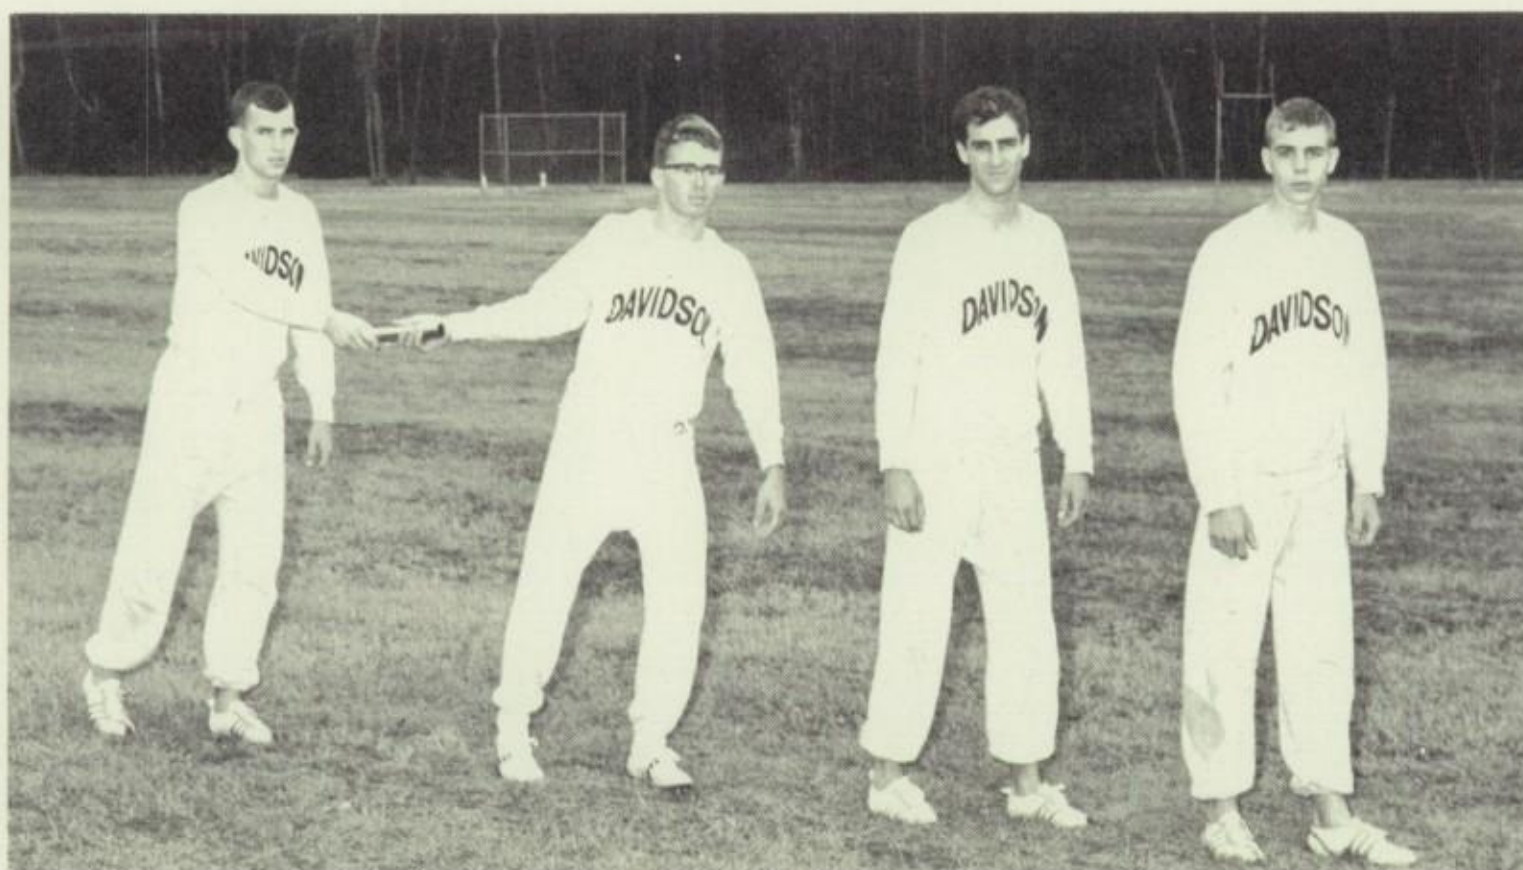

In the field, Ronnie Wilhelm will be handling the shot-put and Ray Thompson the discus.

Among the members who should excell and show talent on the cinders and in the field are: Billy Moore, and Palmer Williams.

Returning Lettermen Hold Future Outlook for Team

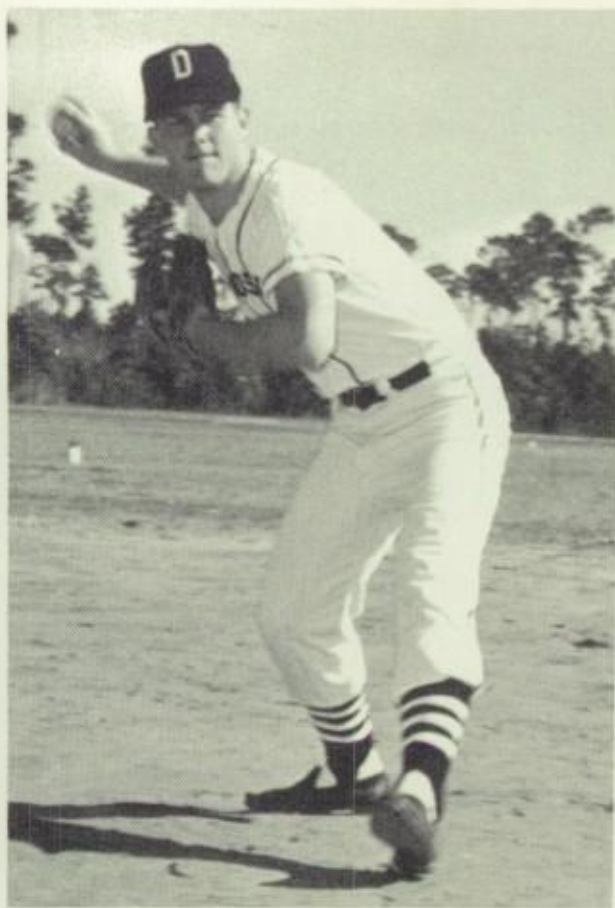

As baseball, the last big sport of the year, comes around again, it seems that Davidson will be doing rather well this season, possibly the best season the Warrior nine has ever had. With lettermen Mike Kittrell, Ronnie Davis, and Ronnie Scott returning to give the opponents a hard time, it is likely that the Davidson squad will give any team a hard run for the city championship. In addition to the returning lettermen, many fine players new to the school will be trying to get a spot on the team.

Boys and Girls Strive for

Mr. Langham speaks to the boys at the Freshman Football Banquet.

Coach Redell presents football letters to the freshman players.

The boys enjoy a vigorous volleyball game in Physical Education Class.

There are always suspenseful moments in an exciting volleyball game.

Physical Fitness Through Their Activities

Davidson's volleyball team is under the direction of its two congenial sponsors, Miss Cox and Miss Lane.

Miss Cox's Seniors play an invigorating game of basketball.

P. E. girls rush in from the cold outdoors.

Denise Mulligan struggles to keep control of the ball as her opponents look on.

The Lighter side . . .

A mob is usually the rule when it comes time to change classes.

"Miss Cox, please, I really need the grade!"

"Do it my way, see!"

Who's Mrs. Ingram sneaking up on—and with mistletoe!

"And what is going on here?"

"Ho! Ho! Ho! What have we here!"

"I do declare, Honey!"

"I had forty-nine percent fewer cavities with Brand X!"

... Presents, ... People

Does it sound that bad, Mrs. Wer-muth?

Music Director! No!

Cheerleaders gulp down at halftime to keep pepped up for the game.

The Vibrations performed at many school functions and became a big favorite among students.

What is it, Mrs. Robbins?

Really, Mr. Napier!

I wonder what was wrong with Coach Chapman's food.

So ends the day ... (better not let Mamma see this one).

Ronnie,
This year
has been great
with you, especially

Mobile is an important industrial city as well as an exchange market for commerce from all over the world. Large manufacturing concerns as International Paper Company and Scott Paper Company and Courtals find Mobile the place with the people, the raw materials, the markets, the highways, and railroads. Affiliated with the Port of Mobile is the shipbuilding and repair industries. Oil refining, iron and steel foundries, manufacturing of chemicals, aluminum, and cement are also to be found in Mobile.

The U.S. Air Force operates one of its largest supply and maintenance bases at Brookley Air Force Base on Mobile Bay.

The shrimp, fish, and oyster catch in the Bay is an important industry, also. Mobile boasts a brand new tremendous Municipal Auditorium which brings famous stars such as Liberace, Al Hirt, and the Dave Clark Five from all over the globe to this beautiful city full of the charm of the past and the prosperity of the future.

The state of Alabama owns and operates at Mobile one of the top ten seaports of the nation, accommodating important industrial and municipal activities.

To a very

LIES GRADUATION, PROMS, SUMMER VACATION, AND SUMMER JOBS.
FOR MANY THE PLANS AND PREPARATIONS FOR HIGHER LEARNING
AND A COLLEGE EDUCATION. THE '65 TOSHQA STAFF HAS SOUGHT
TO BUILD A BOOK WHICH WOULD IN A SPECIAL WAY REFLECT
DAVIDSON HIGH SCHOOL AND THE CITY IN WHICH WE LIVE. AS THE
HALLS GROW DIM AND THE CLASSROOMS QUIET, WE HOPE THIS
BOOK WILL BRING BACK THE MEMORIES OF THIS YEAR AND HOLD
THIS LIVING SCHOOL FOREVER IN YOUR MEMORY.
